To

The District Judge
of Salem.

Sir,

I have the honor to submit the following explanation with reference to the Assistant-General's letter dated 22nd Instant No. 424/156 Copy of which was sent to me for report.

2. Five out of six men named in the above letter were declared unfit for further service by the Zillah Surgeon on 1st August 1882, and the sixth man named Sengodan was examined and pronounced unfit on 15th January 1883. The Service books of most of these

were not properly kept, i.e., the ⁷⁹ entries
taken by some of them from time to
time were not entered in them and
some have not signed the Service books.
In order to bring the entries in the
Service books completely up to date
before transmitting the books to the
Accountant General for verification
of their Services, I have had repeatedly
to send for these men, but some of
them left the Station directly they
returned from Salem, and it was
only on 2nd or 3rd October 1882 that
they appeared before me. Their Service
books were sent for verification to
the Accountant General on 4th October 1882, but they were returned
to me without verification for want of

books to be verified.

Service establishment from 1874 to 1879
with the applications for retiring
allowance on behalf of these men (vide
Accountant-General's letter dated—
31st October 1882 No $\frac{1AE}{317}$). These returns
had to be prepared on a careful
examination of the old records which
took some time and they were ready
for transmission to the District Court
with gravity applications on 27th
November 1882. The applications were
returned to me by the District Court
on 11th December 1882 for correcting
a mistake and the applications
finally left this Court on 13th Jan.

3. With regard to the incompleteness
of Service books which was the cause
of delay in sending them for verifica-
tion of services under Section of
the Civil Pension Code, I beg to state
that I am not personally responsible.

for the manner in which they were
kept, because they were introduced
during the time of my predecessor more
than five years ago, and I took charge
of the Court only 6 weeks before these
men have retired.
