ABSTRACT.—Requesting that the case of H. Nursiah, late Head Writer, Amrut Mahal Establishment, may be brought to the notice of the Mysore Government in view to his being granted a retiring allowance.

From the Accountant-General, dated 22nd February 1883, No. J.A.E.-481.

From Major H. WYLIE, C.S.I., Assistant to the Resident in Mysore, dated Bangalore, 23rd February 1883, No. 2585-1215.

ABSTRACT.—Stating that the abolition of Nursiah's appointment, by the transfer of the Amrut Mahal Department to the Mysore State, has produced a real saving to British Government, and that they are not in a position to grant him any pension earned by service under the Madras Government.

ORDER—dated 6th March 1883, No. 192, Pension.

Under Sections 100 and 109 (*c*) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Nursiah, late Head Writer, Amrut Mahal Establishment, a compensation pension of Rs. (30) thirty per mensem, payable at Bangalore, with effect from the 1st January 1882, in consideration of his qualifying superior service of twenty-six years, two months, and seven days.

2. With reference to the letter read above from the Resident in Mysore, it is observed that this Government merely contemplated the applicant's employment by the Mysore Government in any suitable post available, and had no intention of asking His Highness' Government to bear the cost of his pension. Since the despatch, however, of the letter to which it replies, the Commissary-General has reported that savings more than sufficient to meet the cost of a compensation pension of Rs. 30 are available.

3. Inasmuch as this report is submitted by Colonel Magrath, the officer who represented them in negotiating the transfer of the Amrut Mahal herds, the Government are not prepared to withhold from Nursiah the pension for which he has qualified, the doubt expressed by the Controller of Military Accounts notwithstanding. A copy of these Proceedings will however be forwarded to the Government of India for information.

was clearly not intended to apply to a case like
the present. To prevent individual hardship,
the subordinate officials therein referred to

the subject may be laid before Government, as it seems to me, that there is some misapprehension of the case, both on the part of the Controller of Military Accounts, and also on the part of the Accountant General.

2. The Controller shows a direct annual decrease of expenditure, amounting to Rs 22,961. but says that this amount must be put aside for the purchase of Cattle from the Mysore Government.

3. The number of Cattle that will be purchased, under ordinary circumstances will not exceed 100, which at Rs 50 each would

would leave a balance of Rs 2961: much more than is sufficient to pay A. Nursiah's pension.

4. Again. The total amount paid for the purchase of the herds was Rs 1,61,695. when sold they realized Rs 2,25,000 shewing a balance of Rs 63,350. in favor of Government.

5. The interest of this amount must also be included in the saving to Government and is available for the purpose of pensioning the late Head writer of the Amuktahal.

6. I would, therefore, respectfully submit that there is no reason for withholding the pension, which A. Nursiah has earned

PENSION DEPARTMENT.

READ—the following papers:—

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 4th August 1882, No. J.A.E.-171.

With reference to your endorsement, No. 61, dated the 13th July 1882, referring to me for report a letter from the Controller of Military Accounts, dated the 8th idem, submitting an application for a compensation pension on behalf of Nursiah, late a Clerk in the Amrut Mahal Department, I have the honor respectfully to invite the attention of Government to the circular by the Government of India, No. 1690, dated the 22nd July 1878, printed as a foot-note to Rule 6, Section 100, of the Civil Pension Code, from which it will be seen that the Supreme Government are not disposed to sanction any relaxation of the rule which requires that a saving to Government should be first effected before the question of the grant of a pension or a gratuity to a person who lost his appointment in consequence of reduction of establishment can be considered.

2. In the case under reference it would seem, from the accompanying papers, that there is no saving to Government sufficient to cover the cost of any pension that would otherwise be admissible to Nursiah for his service extending over a period of twenty-six years. His claim to a compensation pension would, therefore, seem to be untenable.

No. 72.

OFFICIAL MEMORANDUM.

With reference to paragraph 2 of the Controller of Military Accounts' letter recorded in G.O., 22nd February 1882, No. 458, Military Department, and his letter, dated the 4th August 1882, No. J.A.E.-171, the Accountant-General is directed to report after inquiry whether no saving actually occurred, a fact which cannot be gathered from the papers quoted.

(Signed) J. D. REES,
Acting Under Secy. to Govt.

22*nd August* 1882.

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 14th October 1882, No. J.A.E.-290.

With reference to your memorandum, No. 72, dated the 22nd August 1882, directing me to report whether no saving to Government was effected in consequence of the transfer to the Mysore Government of the establishment of Amrut Mahal Department, I have the honor to submit the accompanying copy of a letter from the Controller of Military Accounts, No. 2212, dated the 28th September 1882, from which it will be seen that no permanent saving is anticipated in consequence of the transfer of the above-named establishment.

2. I observe however, from paragraph 2 of the letter of the Controller of Military Accounts, dated 19th January 1882, embodied in Government Order, Military Department, No. 456, dated 27th January 1882, that the saving from the abolition of the establishment was in the first instance Rs. 22,961 per annum, and that the Controller's statement that there will be no eventual saving rests on the assumption that the whole of this saving will be expended annually in the purchase of cattle from the Mysore Government, the amount being, the Controller observes, "as nearly as possible that which it is understood will be required." It may, therefore, perhaps be possible for Government to reduce this annual expenditure for the present by Rs. 360, which is the sum required to provide the pension of Rs. 30 per mensem to the applicant.

3. The enclosures to the memorandum under reply are herewith returned.

ENCLOSURE.

From Lieutenant-Colonel M. C. PERREAU, Officiating Controller of Military Accounts, to the Accountant-General, dated Fort St. George, 28th September 1882, No. 2212.

In returning the accompanying correspondence received with your letter, No. J.A.E.-231, dated 8th September 1882, I have the honor to invite attention to Proceedings of Government, No. 456, dated 27th January 1882, forming one of the above enclosures, from which it will be observed that no permanent saving is anticipated in consequence of the transfer of the Amrut Mahal cattle to the Mysore Government.

ORDER—dated 24th November 1882, No. 1149, Pension.

Ordered that the following letter be despatched to the Resident in Mysore.

(True Extract.)

J. D. REES,
Acting Under Secy. to Govt.

LETTER—to the Resident in Mysore, dated Fort St. George, 24th November 1882, No. 1150, Pension.

I am directed to request that you will be good enough to bring before the notice of the Government of His Highness the Maharajah of Mysore the case of Nursiah, late Head Writer in the Amrut Mahal Establishment.

2. The appointment of this individual, who served upwards of twenty-six years, was abolished when the Amrut Mahal was transferred to the Mysore Government.

3. But for this transfer he would either have been granted a compensation pension of Rs. 30 had his appointment been abolished, or would have continued to serve for the brief period required to enable him to qualify for a retiring pension of the same amount. As, however, no permanent saving is anticipated from the transfer, no compensation pension can be granted, and this Government has reason to believe that an application to the Government of India for an extraordinary pension would probably be ineffectual.

4. In these circumstances I am to invite attention to paragraph 11 of your letter of the 2nd January 1882, No. 2300, to the address of the Secretary to Government, Military Department, and to request that, if practicable, arrangements may be made for obviating the hardship that will result to the applicant if he is discharged without any retiring allowance after a service extending over upwards of twenty-six years.

In returning the papers received with your No. S.D.F. 4.59 dated 9th Instant, I have the honor to state that as already reported to Government and to you, this office did not find itself warranted in assuming that any funds would be available which depends upon the numbers of Buffaloes to be purchased annually, this may many, and it is possible that funds may be forthcoming from which the proposed pension may be met, but it is impossible to positively assert that this will be the case.

2. In para 4 of his letter, the Commissary General makes no allowance for the many items of expenditure which would have to be first drawn and set off against the
