GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

Read—the following papers:—

From the Collector of Trichinopoly, dated 9th January 1883.

ABSTRACT.—Submitting an application for gratuity and bonus on behalf of Kumbakonam Eggam Iyer, Sundaram Iyer, late Second Clerk, Cantonment Magistrate's Court, Trichinopoly.

Certificate and report from H. F. CLOGSTOUN, Esq., Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 27th February 1883, No. A.D.J.-462.

Certified that qualifying service in superior grades has been duly proved for one year only; but the circumstances stated in the Collector's memorandum accompanying, in respect of the omission to secure a suitable employment, are of such a character that it cannot admit of the entertainment of any application for a compensation gratuity on behalf of the applicant.

2. In respect of the Collector's proposition that the applicant should be granted a gratuity of Rs. 40, equal to two months' pay, on account of the failure to give reasonable notice of the abolition of the applicant's appointment, it is pointed out that the admissibility of the claim would be entirely dependent upon the settlement of the question whether any application for compensation gratuity on behalf of the applicant should be entertained or not. If the decision be in the negative, it would follow that the claim is inadmissible.

ORDER—dated 15th March 1893, No. 231, Pension.

It does not appear that any effort has been made to provide suitable employment for applicant. His application for gratuity cannot, therefore, be entertained. The Collector will take the first opportunity that offers of re-entertaining him on a salary equal to that of the post he formerly held.

Re-entertainment.

Requesting the Collector to re-entertain the applicant in a post similar to one he formerly held, when the last opportunity offered.

The applicant was offered a post on small pay in May 1850, but he refused to accept it. He was directed by my predecessor to wait till a suitable opportunity occurred, to provide him with a better employment, but he never again applied for and he did not apply for any post when vacancies occurred. He has now put in a petition asking for gratuity. Hence this application.

The applicant was offered an ap-
pointment of Acting Collector on Rs 3 1/2
in May 1880, but he refused to accept
it on the ground that the salary of that
post was too poor. On a reference on the
subject from this Office, you have stated
that the appointment of Collector offered to
him did not seem to bear his claim for a
gratuity for his services prior to reduction
of establishment. As the post of Collector
did not seem to be such an appointment
for a Clerk as is contemplated in rule 1,
Section 59 of the Civil Pension Code (old),
vide your letter no. Oct 6 of 1880 (May 1880).

It does not appear from the records
that the applicant enjoyed any leave
of absence from November 1878 to October
1879.
