20TH MARCH 1883, No. 239, Pension.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

Read—the following papers:—

From the Commissioner of Salt Revenue, dated 26th October 1882, No. 11523.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 10th March 1883, No. A.D.J.-183.

Certified that (subject to the remarks below recorded) qualifying service in superior grades has been duly proved for twenty years, nine months, and ten days, and that an invalid pension not exceeding Rs. 16-10-8 per mensem, equal to one-third average emoluments, is admissible under Sections 102 and 109 (b) of the Civil Pension Code, 6th Edition. The calculations have been duly verified.

2. The period of the applicant's employment in a non-pensionable appointment, from 10th June 1865 to 29th February 1872, has not been viewed as a break entailing forfeiture of past services—vide Exception (c) under Section 90 of the Civil Pension Code.

3. It will be seen from the first page of the application that the Salt Department proposes the grant to the applicant of a pension of Rs. 25 in lieu of Rs. 16-10-8 per mensem, the amount recommended by this office. The difference is due to the fact that the former has viewed as pensionable the service rendered in the appointment of Military Pension Clerk in the Collector's Office, Tinnevely; the service being paid from a contract allowance cannot count for pension—vide G.O.s., Nos. 1316 and 1316, dated 6th December 1881, Pension Department.

4. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

Order—dated 20th March 1883, No. 239, Pension.

Under Sections 102 and 109 (b) of the Civil Pension Code (6th Edition), the Right Honorable the Governor in Council is pleased to grant to Honoly Mannar Chittiar, late Third-grade Sub-Inspector, Tummalaipenta Salt Factory, Nellore District, an invalid pension of Rs. (16-10-8) sixteen, Annas ten, and Pice eight per mensem, payable at Tinnevely from 7th October 1882, in consideration of his qualifying superior service of twenty years, nine months, and ten days.

To

The Commissioner of Revenue.

Sir,

In returning herewith the application for Pension on behalf of *M. T. Colagiovanni Esq.*, late 3rd Grade Sub-Inspector in *Tammasapunda* Sub-Station, *Vellur District* received with your letter of 11th 1872 dated 26th October last, I have the honor to draw your attention to the history of service detailed in the 2nd page of the application from which you will observe that the applicant was employed as *Chief for Militia Police duties* from 10th June 1865 to 29th July 1872. Ordinarily, the services of those engaged in *Collected* Offices for the performance of duties connected with the payment of Militia pensions are provided for *Contract Allowances*, and such service cannot therefore count for pension. Hence to give value to the character of the applicant's service was similar to that described above. If it was not of that nature, it should be distinctly explained only
