GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

Read—the following papers :—

From R. LOGAN, Esq., Officiating Under Secretary to the Government of India, Department of Finance and Commerce, to the Secretary to Government, Pension Department, dated Simla, 10th June 1882, No. 1629.

With reference to your letter, No. 247, dated 1st March 1882, forwarding a memorial from Lankalapalli Manga of Manchili, Godávari District, dated 7th January 1882, praying for the continuance of a casualty pension of Rs. 1-12-0 a-month, alleged to have been granted to her in 1850 on account of her husband having been drowned at the Godávari Anicut, while on duty, I am directed to inquire whether there is anything to show that a pension was ever sanctioned for the memorialist.

2. The enclosures of your letter are herewith forwarded, together with a report by the Accountant-General, Madras, No. J.A.D.-189, dated 26th May 1882; and I am to request the re-transmission of these documents to this department when no longer required.

From S. JACOB, Esq., Officiating Under Secretary to the Government of India, Department of Finance and Commerce, to the Secretary to Government, Pension Department, dated Simla, 8th August 1882, No. 2984.

With reference to my letter, No. 2475, dated 20th July 1882, I am directed to return the papers noted in the margin, which had been accidentally mislaid in this office before they had been registered, and to request that they may be re-transmitted with a reply to my letter, No. 1629, dated 10th June 1882, regarding a memorial for pension from Lankalapalli Manga of Manchili in the Godávari District.

Letter from the Accountant-General, Madras, to the Government of India in this Department, No. J.A.D.-159, dated 25th June 1882, and enclosures.

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Secretary to Government, Pension Department, dated Fort St. George, 21st November 1881, No. J.A.D.-385.

With reference to the Proceedings of Government, No. 178, dated the 10th October 1881, requesting me to state whether there are any records in my office to show why the pension of Lankalapalli Manga was discontinued in 1866, I have the honor to state that, on reference to the Audit Register of the Godávari District of the period, Manga does not appear to have ever drawn pension from the Civil Treasury, and the payment of the pension, if any, was not therefore audited by this office.

2. In the Extract from the Minutes of Consultation, No. 196, dated the 25th February 1851, sanction was accorded for the payment of one year's wages to the heirs of the persons named in the margin. This petitioner appears to be the heir of the third person. But whether the wages

Bonidu Survadoo,
Bonum Vencatachellum,
Sunkalapully Soobiah, and
Dolla Poottrigadoo.

were commuted into pensions, and if so, under what authority they were so commuted, it is difficult to trace out from the existing records.

3. The names of the four pensioners detailed in the petition are however traceable from the Audit Registers on record in this office; but their pensions were sanctioned by the Government of India in their letter to the Chief Secretary to this Government, No. 918, dated the 3rd June 1848, embodied in the Extract from Minutes of Consultation, No. 124, of the 27th idem, or two years before Manga received her pension.

4. The enclosures to the Proceedings of Government under acknowledgment are herewith returned.

With reference to his letter, No. J.A.D.-385, dated 21st November 1881, reporting on petition from Lankalapalli Manga, the attention of the Accountant-General is drawn to G.Os., 9th January 1858, No. 41, and 19th April 1860, No. 799, Public Works Department, copies* enclosed, and with reference thereto to report whether he is not now in a position to say that no *pension* was ever granted to the petitioner.

To the Accountant-General.

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 30th October 1882, No. J.A.D-346.

With reference to your Official Memorandum, No. 89, dated the 23rd October 1882, calling for an early reply to your memorandum, No. 74, dated the 2nd ultimo, I have the honor to state that, as it appeared from the Government Orders forwarded with the latter, that if any pension had ever been paid to Lankalapalli Manga, it must have been through the Agency of the Public Works Department, a reference to the Examiner, Public Works Accounts, on certain points was considered necessary, and was accordingly made. From his reply of the 6th instant, he appears to have called upon the Superintending Engineer, First Circle, to supply the information. The report called for will be submitted to Government as soon as the above information is received from the Public Works Department.

No. 91.

Memorandum.

With reference to his letter, dated 30th October 1882, No. A.D.J.-346, the Accountant-General is requested to be good enough to expedite the submission of the information called for in memorandum from this office, dated 2nd September 1882, No. 74, as the Government of India has sent in two reminders on the subject. If no records as to the grant of a pension are forthcoming, the District authorities should be in a position to say so without delay.

Re Lankalapalli Manga's application for pension.

Fort St. George,
6th November 1882.

(Signed) J. D. REES,
Acting Under Secy. to Govt.

To the Accountant-General.

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Secretary to Government, Pension Department, dated Fort St. George, 9th January 1883, No. J.A.D.-416.

With reference to your memorandum, No. 74, dated the 2nd of September 1882, and subsequent reminders, inquiring whether I was not now in a position to say that no pension was ever granted to Lankalapalli Manga, I have the honor to state that from the Government orders forwarded with the above memorandum, it appeared to this office that if any pension had ever been paid to Manga, it must have been through the Agency of the Public Works Department. A reference was therefore made to the Examiner, Public Works Accounts, who was also requested to furnish information on the following points:—

(*a*) From what Treasury the pension was disbursed, and up to what date.
(*b*) Why the pension was stopped; if the stoppage was under orders of any competent authority, a copy of such authority should be furnished.
(*c*) From what fund the pension was paid, and by what officer the payment was audited.

In his reply of the 6th instant, that officer states that information on the above points is not forthcoming.

A similar reference was also made to the Collector of Godávari, who, with his reply of the 12th October last, furnished me with a copy of his letter to Government, No. 42, dated the 23rd August 1882, from which it is apparent that Manga never drew her pension from the Civil Department.

Under these circumstances, I have nothing to add to what I stated in my letter, No. J.A.D.-385, dated the 21st November 1881.

Order—dated 15th January 1883, No. 23, Pension.

The Accountant-General's letter will be forwarded to the Government of India, Department of Finance and Commerce, with reference to their letters and reminders noted in the margin.

recommendation. The papers enclosed show that she may have received a gratuity only.

Would you kindly see if anything can be done in the matter concerning which the last reminder was C. M. No. 91 dated 6th November 1882. It seems to me quite clear no pension was granted or if it was that the grant cannot now be evidenced by any papers. Why then cannot the District Authorities say so. Note on Tanl No. 1666 of 1882.—
Sinkapilly Mungai's
Petition—

Further papers in connexion with this case have been traced - See orders of 1857 to 1860 put up.

In Cons of 25 Feb/51 sanction was accorded for the payment of gratuities of one year's wages to the heirs of 4 individuals of whom Sinkapilly Soobiah the husband of petitioner was one. The petitioner & others appear to have received pensions from the private funds of Col Cotton. Eventually in 1860 (G.O. 19th April No. 799) the Govt. sanctd payment of gratuities of Six months' pay to families of 12 individuals whose names are not given in the index but if reference is made to Pro of 12th January 1858, it will be seen that the name of Lunkapilly Sodriah appears in the statement contained therein. There are thus two orders in this case. One in 1851 giving a gratuity of one year's pay, & one in 1860 sanctioning a gratuity of Six months pay. Petitioner however states that she recd. a pension up to Oct 1866 but no further orders can be traced from the Indexes in P.W.D. & Finl. Depts..

If the attention of the Acctt. Genl. is drawn to Order of 19th April 1860 - which was comtd. to him (see origl.), that officer may probably now be able to obtain further information in connexion with this case.

To

The Honorable R. Davidson C.S.I.

Chief Secretary to Government,

Fort Saint George.

Sir,

With reference to G.O. dated 4th February 1881 No. 175 referring the petition presented by Lankalapalli Manga for my report I have the honor to state as follows.

2. As far as it can be traced from the records of this Office the petitioner Manga does not appear to have ever received her pension from the Revenue Treasury of this District.

3. From the Copy of the pension certificate that accompanied the petition, the petitioner appears to have always received her pension from the D. P. W. The payments have all been attested by the Officers of the D. P. W. On my communicating with the Superintendent of Works, Godavari, that Officer states in his letter No. 3821 dated 17th March 1881 that it is found impossible to trace in the records of his Office any thing about the Claims of the petitioner.

In

4 In a letter No. 1108 dated 14th November 1850 to Government, the Board of Revenue recommended life pensions of Rs 1-12-" per mensem or a gratuity of three years pay to the heirs of three persons one of whom was Lankalapalli Subbayya late husband of the petitioner: also a gratuity of two years pay to the heir of one and that of 6 months pay to those of two deceased persons. In the Extract from the minutes of Consultation under date the 25th February 1851 No. 196 paragraph 6 the Government of India were pleased to sanction gratuities of one year's wages to the heirs of four persons, including the petitioner, and of 6 months' wages to those of the other two. These payments are not traceable in the records of this Office. From petition and the copy of the pension certificate therewith received the gratuity sanctioned in the order of the Government of India quoted above appears to have been subsequently commuted into pension for a limited period and renewed after the expiration of each sanctioned period at the request of the local Officers of the D.P.W. There is no record in this office to show how the payment ~~of the payment~~ of the pension terminated in 1866.

5 Several pensions have been sanctioned to the heirs of those that were killed by

accidents in the construction of the anicut and a few of them are still being paid in the Revenue Department.

Due enquiry has been made in the District, and also in the offices of the Exr. of P. W. Accts, & of the Acct. General, nothing more than the Collector reports can be anywhere ascertained regarding the Petr's pension, which lapsed from some cause or other in 1866. Considering the length of time that has elapsed, during which the Petr. has evidently been able to live without the pension, and considering that Govt. have no means of reviving the pension in the absence of particulars as to the reason for its discontinuance, it may fairly be presumed that what was done, was rightly done, a presumption fortified by the Petr's own conduct in delaying for 14 years to prosecute her claim. SIR,

With reference to the Proceedings of Government No. 178 dated the 10th October 1881, requesting me to state whether there are any records in my Office to show why the pension of Limkapalli Manga was discontinued in 1866, I have the honor to state that on reference to the Audit Register of the Godavari District of the period, Manga does not appear to have ever drawn pension from the Civil Treasury, and the payment of the pension, if any, was not therefore audited by this Office.–

2. In the Extract from the Minutes of Consultation, No. 196, dated the 25th February 1851, sanction was accorded for the payment of one year's wages to the heirs of the persons named in the margin. This petitioner appears to be the heir of the 3rd person. But whether the wages were commuted into pensions, and if so, under what authority they were so

Bonda Survadoo
Bonum Vencatachellum
Sunkalapilly Soobiah
and
Dolla Soothrigadoo

so commuted, it is difficult to trace out from the existing records.—

3. The names of the four pensioners detailed in the petition, are however traceable from the Audit Registers on record in this Office; but their pensions were sanctioned by the Government of India in their letter to the Chief Secretary to this Government, No. 918, dated the 3rd June 1848, embodied in the Extract Minutes of Consultation No. 124, of the 27th Idem, or 2 years before Manga received her pension.—

4. The enclosures to the Proceedings of Government under acknowledgment are herewith returned.—

With reference to your Official Memorandum, No. 89 dated the 23rd October 1882, calling for an early reply to your Memorandum No. 74 dated the 2nd Ultimo, I have the honor to state that as it appeared from the Government Orders forwarded with the latter, that if any pension had ever been paid to Lankopolle Manga, it must have been through the agency of the Public Works Department, a reference to the Examiner Public Works Accounts on certain points was considered necessary and was accordingly made. ACCOUNTANT-GENERAL
TO THE GOVERNMENT OF MADRAS,

To
The Secretary to Government,
Pension Department.

Sir,

With reference to your Memo No. 74 dated the 2nd of September 1882 and subsequent reminders, enquiring whether I was not now in a position to say that no pension was ever granted to Lankapalli Manga, I have the honor to state that from the Government Orders* forwarded with the above Memo, it appeared to this Office that if any pension had ever been paid to Manga, it must have been through the agency of the Public Works Department. A reference was therefore made to the Examiner, Public Works Accounts, who was also requested to furnish information on the following points.—

*herewith returned

(a). From what Treasury the pension was disbursed, and up to what date.—

(b) Why the pension was stopped, if the stoppage was under Orders of any Competent

authority

authority, a copy of such authority should be furnished.-

(c). From what fund the pension was paid, and by what Officer the payment was audited.-

In his reply of the 6th Instant that Officer states that information on the above points is not forthcoming.-

A similar reference was also made to the Collector of Godavari, who with his reply of the 12th October last furnished me with a copy of his letter to Government No. 42 dated the 23rd August 1882 from which it is apparent that Manga never drew her pension from the Civil Department.-

Under these circumstances I have nothing to add to what I stated in my letter No. $\frac{\text{I.A.D.}}{385}$ dated the 21st November 1881.-

I have the honor to be,
Sir,

2. It appears from G. O. dated 19th April 1860 No. 799 / " 12th Jany 1858 that two gratuities were granted & it is further inferred that a pension was granted from the private funds of Col: Cotton. A long and searching inquiry has shewn that there is nothing ~~to show~~ that the memorialist ever was granted a pension & the Govt. have accordingly nothing to add to their previous recommendation.
