to the Superintending Engineer & Circle. No. 495 dated
19 January 1923.

I have the honor to return herewith the gratuity
application and service book of Vellur Sagar. Indu
Lal. Krishna, on the Petty Establishment of the
South-West Division, and to request that the same
may be returned to the office for disposal, with the
amount of saving accrued to Government by the applicant's
retirement duly noted against entry taken page 8 of
the gratuity application.

2. It is presumed that the pay of the applicant before
1st April 1920 was charged to the Estimates of the different
works in which he was employed and his services prior
to that date consequently classed as "Privileged" not ^{reduced}
as "Service". Please state if this is correct.

3. The gratuity admissible to the applicant should
be calculated on the inferior scale with reference
to the orders of the Government of India, communi-
cated with G.O. Pension Department, No. 75 dated
27 January 1922, copy attached. The different
kinds of leave enjoyed by the applicant should
therefore be classed as Service with reference to
Section 76 of the Civil Pension Code.

4. The Government in the Pension Department has
lately in several instances pronounced severely
against

upon the delay which has occurred in this Department
in disposing of application for pensions, and it is
necessary in such cases therefore to come to an
understanding as to who if any one is to blame. I
request therefore that in the present case you will
inquire and let me know who is responsible for
the delay of nearly five years in the submission of
the gratuity application of the manistig in question.
5. Early return of the papers requested.
