Fort St. George

Sir

I have the honor to forward for the favorable consideration of Government, the accompanying application for pension in behalf of C. Seeravangada Mudaly, 2nd class Deputy Inspector of Vaccination, Vizianagram Range Vizagapatam District.

2. His services, as verified from records in the Vaccine Department, extend over a period of 16 years, 9 months and

and 20 days and he is thus entitled to one-third pension.

3.1, There has been nothing exceptionally bad recorded against him during his career in the Vaccine Department. He appears to have performed his duties with diligence and to the best of his abilities. In August 1879, however, when in Cuddapah he was suspended for two months pending enquiry into certain charges of mal-practices brought against him by some of the vaccinators. The charges broke down as the vaccinators were unable to substantiate them, but as Mr. Gribble, the then President of the Cuddapah circle, having had doubts about the case, desired his removal it was not

not thought advisable to have retained him in the district longer; he was consequently sent to the Vizianagram Range as a 2nd class Deputy Inspector of Vaccination. With this single exception of only a suspicion against him, his character and conduct may be said to have been good. In the Vizianagram Circle his work latterly was not so satisfactory as at first, but this might be attributed more to his having fallen off in health than to any want of zeal or correctness on his part. The duties of Deputy Inspectors of Vaccination have, since 1879, been to a certain extent augmented with Sanitary Inspection work &c, entailing constant rough travelling

and 20 days and he is thus entitled to one-third pension.

travelling and requiring great physi-
=cal energy and mental vigour, but
the applicant owing to failing health
and other causes was unequal to
them. He was consequently ordered
down from Vizianagaram to shew
cause why he should not retire from
the service. He accordingly reported
himself to me and produced the
accompanying medical certificate
of unfitness for further service
which has been confirmed by the
Civil Medical Board.

4. Under the above circumstances,
I beg to recommend that he be granted
the pension to which he appears
to be entitled.

5. I regret the delay in the
submission of this application

which was owing to his having
had to come to Madras from a
distant country, and to references
having had to be made to the several

for the verification of his services.
