CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that (Subject to the remarks below recorded) qualifying service in Superior Grade up to 30th April 1882 has been proved for 30 years and 6 months and that a retiring pension not exceeding Rs 33--11 per mensem equal to ½ average emoluments would have been admissible to the applicant under Sections 107, 109 and 112 of the C.P. Code if he had been permitted to retire from the service from that date.

It will be seen from the history of service that the applicant rendered a period of seven (7) year and eleven (11) days viz from 28th April 1851 to 8th May 1857 on the Dumsteamers Establishment of the Chingleput District. This period could be admitted towards pension if the applicant's name were included in either of the two lists received from the Government of India with their No 338 dated 25th January 79 and 1919 dated 23rd July 81. But the Commissioner of Salt Revenue in his letter No 4257 dated 28th April 82 accompanying explains that by an oversight the applicant's name was not included in the 1st List. No reason is however assigned for the omission of his name from the Supplementary 2nd List. Should Government be pleased now to obtain the concurrence of the Government of India for the admission in the applicant's case of the Services rendered on the Establishment named above his total pensionable Service will exceed 30 years and he will be entitled to the retiring allowance above mentioned. Otherwise his pensionable Service on the present date will fall short of 30 years by about 5 months and he will therefore not be entitled to any pension at all unless his incapacity for further service be duly established by a medical certificate as required by the C.P. Code.

The applicant has not yet retired from the Service but this report is submitted in accordance with the instructions contained in G.O No 362 dated 21st April 82.
