GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

Read—the following papers:—

From E. WORTHINGTON, Esq., Engineer Department, Pondicherry, to the Chief Secretary to Government, dated Pondicherry, 8th February 1883.

Since one year that I am named by the French Government the lawful guardian of my sister Florence Worthington, daughter of E. Worthington, late Pilot in the Bengal Service, I gave my Power-of-Attorney to H. deClosets, Esq., Merchant at Madras, in order to receive and to send me her pension of 20 rupees a-month. But as M. deClosets is now gone to France, it will be more easy to me to receive that pension at Pondicherry, since I live here.

2. Therefore, Sir, I beg to request that you will be so good as to make the necessary arrangements for the payment, from the 1st January 1883, of the pension of my sister at Pondicherry through the British Consular Agent's Office, who is actually paying several pensioners.

Finance Department.

With reference to your endorsement, No. 13, dated the 1st March 1883, referring to me for report a letter from Mr. Worthington, in which he applies for the sanction of Government for the payment of his sister's pension through the British Consular Agent at Pondicherry, I have the honor to state that there would seem to be no objection to compliance with Mr. Worthington's request, provided he furnishes the Treasury Officer, Cuddalore, with a life-certificate of the pensioner, signed by the British Consular Agent in the same manner as is done by B. C. Sivarayar, whose case was disposed of in G.O., No. 99, dated 22nd May 1878, Final.

2. As Miss Worthington's pension is payable only up to the date of her marriage, the life-certificate should also state that the pensioner has not been married.

3. The endorsement under reply is herewith returned.
