I certify that I have carefully examined Joga Pothannah, son of Joga Vessirannah a Tascor Engineer's conservancy establishment. His age by his own statement 70 years and by appearance about 70 years. I consider Joga Pothannah to be completely incapacitated for further service of any kind in the department to which he belongs, in consequence of being old and worn out.

His incapacity does not appear to me to have been caused by irregular & intemperate habits.
