CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

No 403 Certified that qualifying service in England or Gibraltar has been duly proved for 8 years 3 months and 28 days; and that a superannuation gratuity not exceeding Payers 53-5-4 equal per week to 8 months pay multiplied by the fraction $\frac{830}{100}$ is admissible under Sections 106, 109 (2) and the proviso under Section 111 of the Civil Pension Code 5th Edition, the whole amount of gratuity is chargeable to "Fort Funds" as recommended by the Master. Attendant in para 3 of his letter No 10282 dated 29th November last accompanying.

It is observed that the application for Gratuity was originally supported by a Medical Certificate bearing date the 20th November 1832, i.e. 10 days before the applicant actually ceased to be bound on the Establishment. Considering that he was about 62 years of age when he retired from the Service it was suggested to the Master Attendant that the application should be treated as one for Superannuation Gratuity in stead of Invalid Gratuity and that it was further pointed out to him that if he should be considered that it should be regarded as one for Invalid Gratuity the Medical Certificate should be countersigned by the Surgeon General. The Master Attendant in reply furnished the Certificate prescribed by rule 4 section 106 of the Code apparently intending that the application should be ^{treated} ~~renewed~~ as one for superannuation Gratuity. This office has therefore recommended that the applicant should be granted a superannuation in lieu of Invalid Gratuity as originally approved by the Master Attendant.

In accordance with Rule 4 under Section 130, the attention of
 the President is respectfully solicited to Section 65 of the Code.

With reference to C. G. as per margin,
I have the honour to report that Mr.

has been declared unfit for further
service, and he wishes therefore to
retire at the end of this month.

his service of (8) eight years would be
equal to (8) eight months' pay or Rupees

duce the amount to Rupees (66-10-8) sixty-
