Sir,

In reply to your letter No. A.D.K./177 dated 23rd Ultimo seeking further information regarding the services of D Srinivasa Rau, late Deputy Tahsildar of Bukkapatnam of this District I have the honor to state

First, with reference to your Queries Nos. 29 & 36 that the Collector of Kristna on a reference from this Office, replied* that he could not afford the particulars of the applicants services, since the pay bills of his Office prior to 1st November 1864 were lost in the late cyclone there.

*(Vide copy of his letter No. 1105/27-4-82)

The Collectors of Bellary, Nellore, Madras and the Inam Commissioner have furnished several statements. Certified copies of these statements+ and of the covering

+Bellary Collr's letters Nos. 232/24.1.83. 2129/19-6-82 Madras Collr's letter Nos. 456/8.6.82, Nellore Collr's letters Nos. 2780/12.1.82, 2317/22.6.82. Inam Commissioner's letter No. 110/13.6.82.

letters by which they were accompanied, are herein enclosed. They establish the applicant's services from 1st July 1858 to the 2nd of February 1882, the remaining portion of his service having been verified from the Huzur pay abstracts of this Office.

Secondly with reference to your Queries Nos 8 and 32, that, as no records were forthcoming in the Collector's Office Kistna to prove the earlier period of Sreenivasa Rau's service, orders issued to him while employed in that Collectorate were obtained from him and are herewith forwarded in original as per margin for subsequent return. These go to shew that he was first entertained on the 12th November 1844 as Writer in the Special Establishment of Minor and Amani Estates and was confirmed in it on the 30th Idem. They also trace his service down to 18th November 1848. The orders

F. G. H and I prove the leaves obtained by him in 1845 and 1849 as entered in the Service Register. Previous to tendering his resignation he appears from J and K, first, to have obtained in February 1857 four months leave and then to have got it extended up to 25th August of the same year. A certificate of character granted to Sreenivasa Rau by Mr H. J. Knox, the then acting Collector of Kistna, herewith forwarded in original for subsequent return, does not give the exact date of his resignation but merely mentions his total period of service prior to his resignation. Beyond this there is no information available here which throws light on the subject of his resignation or accounts for the omission of his name in the annual returns or explains the nature of the fund he was paid from during this period.

The total period of his service as stated in Mr Knox's certificate having been found to differ from the actual period of service rendered by him, an explanation has been taken from applicant accounting for the difference and the same is now herewith forwarded with translation

A fresh application is also herewith sent in pursuance of your Query No 35, printed forms having now been supplied.

Sir,

With reference to your endorsement at the foot of a copy of the letter No. 2131 dated 15th Instant from the Collector to your address I beg to state as follows:—

In the certificate granted by Mr. I. J. Knox the late Collector of Kristna it has been entered only the period (namely 12 years, 6 months, 26 days) I served in the English Department as a writer. When I resigned my post I was a writer in the Accountant Department and the Head Accountant has entered in the certificate only the period I served under here and it is stated that I have discharged my duties satisfactorily during this period. I rendered 2 months and 16 days' service in the Sheristadar's Department which has been omitted from the certificate. There is an order No. 377 dated 2nd November 1848 from the then Collector Mr Porter, appointing me as a Gumasta in the Sheristadar's Department. This order I have shown to Kristna Row Sub Magistrate of Bukkapatnam and I have received it back.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

No $\frac{ADV}{2}$ Certified that qualifying service in ~~Inferior~~ Superior Grades has been duly proved for 23 years 11 months and 27 days. But no retiring allowance is admissible under the strict letter of the rules of the Code, as his incapacity for further service was not duly established by a Medical Certificate.

It is observed that when submitting the application, the Collector fully anticipated that the applicant would get a retiring pension, as his total period of qualifying service as calculated by the Collector amounted to more than 30 years. But from the explanation furnished in the 2nd page of the application it will be seen that there exists a doubt whether the applicant's service rendered up to 1st July 1858 should be reckoned as qualifying for pension or not. If Government accept the view taken by this office that, as his service was not borne out by office records, it should be rejected as non qualifying it would follow that the applicant's claim to a retiring pension equal to half pay should be considered as invalidated, and also that the one third pay pension which might have been admissible for the remaining portion of his service ~~not~~ can not even be granted unless the retirement is supported by a Medical Certificate. If Government, however, should admit his claims for the period of his service from 8th May '50 to 25th February 1857, the total period of the applicant's service would amount to 30 years 9 months and 15 days, entitling him to a retiring pension not exceeding Rs 35- per mensem equal to ½ average emoluments under Sections 107, 109 (c) & 112 of the Code.

The delay in the submission of this application is explained by the Collector in his letter No 5 dated 31st January 1883.

In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

FOR ORDERS.

The applicant has served in all upwards of 38 years.

Of this 5 years odd do not count being rendered before the age of 22.

" 6 years odd are not verified× deduct this & leave and only a 1/3 pension would be available & this not without a medical certificate.

If the 6 years odd which cannot be verified are allowed to count a 1/2 retiring pension may be passed provided also loss of service by resignation in 1857 be condoned. ~~The applicant puts in orders issued to him to prove his service:~~ There are orders to prove leave was granted to ~~him~~ applicant in 1857 in which year he resigned the service to which he was reappointed 10 months later. The Collector of Kistna says the pay bills prior to 1864 were lost in the Cyclone & in the annual returns for 1853, 54 the applicant's name does not appear. The absence of his name in these annual returns ~~would~~ make it doubtful

whether any presumption exists that his name is in the ~~lost~~ pay bills lost in the cyclone.

In fact, it is submitted, Govt. cannot well hold that the Acct. Genl. is not justified in holding service prior to 1858 not proven. Even if they did, it is invalidated by the applicant's resignation in 1857.

Then a $\frac{1}{3}$ pay pension can be passed only if a medical certificate is put in. He was asked to apply for pension because "he was a soft & easy going man." It is submitted that the order below will meet the requirements of the case.

Order Mis: [illegible] 26 April 1883 No 348.

In the absence of records to verify the applicant's service prior to 1858, a $\frac{1}{3}$ pay pension only is admissible & that only on the production of a medical certificate. The applicant, who is but 54 years of age, should therefore produce a certificate or be allowed to withdraw his resignation at his option. It is clear he resigned under the impression, shared by the Collector, that a retiring pension was due to him.
