Office of Zillah Surgeon,
Madura, 14th May 1882

Certified that I have carefully examined Vedappen (son of Veloomakauttran), Dalayet Salt Assist. Commissioner's Office, in the Madura District.

His Age is according to his own statement 57 years and by appearance about 57 years.

I consider Vedappen to be completely and permanently incapacitated for further service of any kind in the department to which he belongs in consequence of General Debility & defective vision

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Sir

I have the honor to reply paragraphically to your Proceedings No 3022 dated 9th March 1883.

(1) The Pension application and service Register have been altered as pointed out.

(2) In the Treasury Deputy Collector's verification list the exact date of the Applicant's entertainment has not been given. It is remarked in the Pay Bill (as stated by the Record Keeper) that Vadapan was appointed in place of Puttan according to order dated 28th April. As this date 28th has been given in the Service Register also, and as there are no other Records to verify the date, it was thought

that

that the 28th might be taken as reliable.

3/ An English Translation is enclosed as requested.

4/ Has been attended to.

5/ Do

6/ The Applicant was not on leave from 25th August to 4th Sept 1865 but from 1st to 4th Septem. It cannot be gathered how it was so calculated and remarked. The leaves left through oversight have been entered as directed.

7/ I must record my opinion that the services of the Applicant except those in the list marked A have been verified. As for those in the said list, I recommend they may be accepted and treated as verified service as I am convinced from the statement of the Applicant supported by the testimony of his contemporary servants, of the fact that the applicant was serving in the various salt stations without interruption.

Question. No pay bills being forthcoming for the pay you received between September 1861 and September 1862, had you pay for those periods or how did you get your pay?

Answer I was then doing work continuously at Therakudi as measurer on Rs 3 in place of Pittan and received my pay. I did not go on any leave during that time.

Q. Similar periods for which bills are missing are noted below. Had you pay continuously during that period? State the grounds you may have.

" September Do. "
January 1866
February 1869
December 1869 to December 1874.

Answer. I was drawing pay continuously during the above periods but I have no records with me to prove it. Since I was first entertained in the fians and last ordered to retire (last year) I was first employed at Thurakudi which fact can be endorsed by Mohideen Sahib of Ramnad and that the fact of my having been employ at Vattanam as peon and in similar capacity at Morekolam can be ascertained from Neelamaga (retired) and Narayana Pillai who was lately shroff at Morekolam and now shroff Pamben Sea-customs, respect

From the list it will be seen that the services of the Applicant for 6 years and 8 months in all remain unverified, but his contemporaries state that the applicant was not out of employ and that he was serving continuously, vide documents marked C.W. & E, also F (applicants affidavit). In these circumstances I would request that you will be so good as to apply to the Local Government for the condonation of these interruptions in his service vide section 98(b) of the C.P. Code.

I very much regret the delay of over 9 months in the submission of this application which was unavoidable as will be seen from the enclosed file of correspondence on the subject. I would also remark that the old records of the late Madura Asst Commr's Office are in so confused a state that long and tedious searches are often attended with little or no effect.
