No 125

Q^d

Pudipati Venkatakrishna

Trinivanda Kottapattam

Kotam Sagarapattam
Division.

It appears from the arjes No 122
and the records sent therewith written
by Muzur Gual Assistant. Sherist
and Das Writer who were sent for
inspection that your estimation of soil
was 1 gares and 309 mercials, whereas accord-
ing to their estimation there were 3 gares
and 24 mercials, hence there was an
increase of 1 gares and 55 mercials on
your estimation. In your reply you
said that you went to the division
Cuttack on the 14th September to learn
regarding the new form, that you
ordered the Dygarty and Rans to keep
the soil scraped on the ridges till
your arrival if there was no sign of
rain and if there were any signs
of rain to allow the removal of soil
to the platform, that on the same

date there being signs of heavy rain the
pyots were very anxious to carry bales to the
platform lest it should be destroyed
by rain, that Pygasti and Pons allowed
the bales to be carried, that on the 15th
when you arrived they produced the
account of baskets carried by pyots,
that you ordered the pyots to be
brought before you to see whether the
account of baskets and the bales carried
by them was correct, that the pyots
did not appear as ordered, that you
hesitated to take the estimation
of bales as the scraped bales removed
to the platform was beaten by planks
and covered with straw, that ins-
pection was made on the 16th before
you had time to uncover the straw
and take estimation and hence
the increase was discovered on ins-
pection.

As it is most irregular to
have so much increase in estimations
that as you neglected to do your

legitimate duties you are suspended
for 3 months from 20th instant. You
are directed to hand over your charge
to the Local Superintendent of the
Division.

20th November 1856.
