From R. G. MACDONALD, Esq., Acting Examiner, Public Works Accounts, to the Secretary to Government, Pension Department, dated Madras, 15th March 1883, No. 891-X.

Adverting to your Memorandum, No. 14, dated the 1st instant, on the petition of B. Runganaikulu claiming half-pension, and alleging that the entry of the date of his birth in his service book is incorrect, I have the honor to state that should Government, under the circumstances explained by him, be pleased to accept as correct the date (1825) of his birth as now given, and treat the period of his services from 1st January 1850 to 31st December 1852 as qualifying superior service on the strength of the affidavit and statements of two contemporary servants already forwarded by him, he will have, at his credit, twenty-six years and ten days' pensionable service, and an invalid pension not exceeding Rs. 10 per mensem, equal to one-half of average emoluments at Rs. 20 per mensem, will be admissible with effect from 20th January 1880 under Sections 102, 109 (*c*), and 118 of the Civil Pension Code, in lieu of the pension of Rs. 6-10-8 per mensem sanctioned in G.O., Pension Department, No. 686, dated 7th August 1882.

G.O., 16th March 1882, No. 256.
G.O., 7th August 1882, No. 686.

With reference to the orders of Government noted in the margin, it is now shown that Bhahadurshah Runganaikulu, late Maistry, Petty Establishment, Godávari District, was born in 1825, and that three years' service rejected as having been rendered prior to the attainment of the age of twenty-two years should be added to his qualifying superior service which thus amounts in all to twenty-six years and ten days.

2. The Right Honorable the Governor in Council is accordingly pleased to sanction the grant to the applicant, under Sections 102 and 109 (*c*) of the Civil Pension Code, of an invalid pension of Rs. 10 in supersession of the orders quoted above with effect from the 20th January 1880, the amount being debited in the required proportions to General Revenues and Local Funds. Sir,

With reference to your endorsement No 2209 C. 1-12-82 and its accompaniments herewith returned I have the honor to say that having made enquiries I believe what the petitioner Bahadarsah Ranganaikulu late Imperial Maistry says as to his age, and that the entry of 1831 as the date of his birth in his service Register must have been a mistake.

2. His horoscope which he has produced & of which the Tahsildar of Rajahmundry to whom I referred it for opinion, says "I declare that the present Cadjan Horoscope is genuine" shows that the petitioner was born in 1825 and the Zilla Surgeon after examining the man states his age to be about sixty (60) years.
