P.W. Department ordered by Government.

As his appointment in this Office has been abolished, and as he ceased to retain a lien on any appointment from 6 June/80, vide also Examiner's letter No 44 W dated 16 June/80 printed with G.O. No 1829 W dated 2 August/80, his case cannot be brought within the Scope of Section 71 of the Civil Pension Code. There appears no objection however to his services upto 5 June/80 being counted towards pensions and any retiring allowance that may be admissible for services upto that date under existing rules being sanctioned but as he is at present employed as Storekeeper on pay (Rs 220 per mensem) more than that drawn by him, while attached to this Office, any application for retiring allowance that he may wish to forward, should it is thought be submitted at the termination of his present appointment. If it is considered that the services of Mr Hart on the Madras Harbor Works should count for pension, his case with full particulars should be submitted for the orders of the Government of India.

Mr Hart's application requesting that his services on the Madras Harbor Works may be counted towards pension or if that be not practicable, that he may be granted the pension admissible to him under existing rules, for his services upto 5 June/80 is forwarded for disposal.

Copy of letter from Mr. J. W. Hart Storekeeper Madras Harbor Works to the Examiner of P. W. Accounts, Madras, thro' the Acting Superintendent Madras Harbor Works dated 7th February 1883.

In a letter dated the 9th October 1882 I submitted for consideration and final orders of Government the circumstances under which I was struck off the strength of the P. W. D. Accounts Branch. I at the same time requested in the event of there being no grounds to recommend my case being treated as special and to recognize my services in the Harbor Works to qualify for pension, in continuation of my services in the Public Works Accounts Office that I may be granted the pension to which I became entitled on the 5th June 1880.

On further consideration, and having in view the very inadequate pension I have earned owing to insufficient service by forced retirement, I venture, very respectfully, to solicit that if there be good reasons to recommend the alternative, I may be retained as a Supernumerary on the sanctioned list of either

Accountants or clerks until I complete the period of service which will entitle me to half pension on my present emoluments,

Thro' R. H. Boardman Esqre C.E.,
Actg Superintendent the Harbor works

To
D. C. Gordon Esqre
Examiner of P W Accounts

Sir

In forwarding herewith the original Register of my Services in the Departments of Government since 1st November 1858 I respectfully request that you will be kindly pleased to represent the following particulars of my case with a view to my being granted a Compensation Pension from 6th June 1880, as owing to reductions in the Pub Works Accounts Branch I was compelled to relinquish my substantive appointment of 150 Rupees in the Examiner's Office on which I had a lien up to 5th June 1880, vide Extracts from Major Trail's letter to Govt P W D No 44 W, dated 16th June 1880, quoted in the margin and printed in G. O. No 1829W dated 2nd August 1880

Mr Hart was borne on the strength of this Office as a Clerk, doing duty as Accountant, on Rs 150 per mensem prior to his joining the Harbor Works Office. On the 23rd April 1877 he was allowed to take up the appointment of Storekeeper on those works by my predecessor Major L. Conway-Gordon R.E. under the conditions specified in his letter No 66x dated 11th May 1877.

× × × ×

I am opinion that tho' he did not resume the duties of his permanent appointment in this Office his case falls within the scope of Sec. 28 C.P. Code, and that therefore he is entitled to count his services on the Harbor works up to 5th June /80.

1880.

2- From para 1 of that G.O. I was however led to hope that my Services in the Harbor works would, in continuation of previous Services, be reckoned subsequent to 5th June 1880 to Eventually qualify for a higher rate of pension, because I was obliged to relinquish at so early an age my substantive appointment; it being also generally understood by those concerned that the intentions of the local Government in favor of Servants situated like myself would receive the confirmation of the Government of India - Leaning to this impression I put off availing myself of the One third pension to which I believe I became entitled on the 5th June 1880

3- From a recent ruling of the Govt of India, (quoted in the margin) in disposing of the Pension application of C. Ramasawmy Naidu, late Head Draughtsman in the Harbor works, it appears doubtful - if not absolutely inadmissible - whether my services in the Harbor works will qualify for pension subsequent to 5th June /80, the date on which I ceased to hold my substantive appointment in the Public works Accounts Branch - In the event, therefore, of any Claims to pension for Services subsequent to 5th June 1880, being barred by the Civil Pension Code rules, I respectfully request that Government be moved to grant me the Pension I may have Earned for my Services up to 5th June 1880, to enable me to make timely provision for a large family

With reference to para 4 of the Proceedings of Government No. 610 dated the 11th July 1882, requesting me to submit a report on the services of those Officers who have been transferred from permanent appointments to the Madras Harbour Works Establishment in view to considering whether their cases may be brought within the scope of Section 71 of the Civil Pension Code, I have the honor to state that the Officers named in the margin are those whose cases deserve consideration with reference to the Section quoted above. From the remarks of the Examiner, Public Works Accounts, recorded in the respective statements of services of these Officers, it appears that all the Officers, with the exception of Mr. Hart, were transferred to appointments on the Establishment of the Madras Harbour Works without any definite understanding that their appointments in that Establishment were

were to be temporary and that they should revert to their respective substantive appointments when their new appointments ceased to exist. The vacancies caused by the transfers were substantively filled up by others who were eligible for pension in those appointments with effect from the date of promotion. The cases of these Officers cannot therefore be brought within the scope of Section 71 of the Code, and their Services in the Madras Harbour works cannot reckon for pension without the special orders of the Government of India, to whom their cases should be submitted for decision on their merits, under para 2, of the letter No. 1644 dated 13th June 1882. - in G.O. 11th July 1882 No 610 -

2. With regard to the case of Mr. Hart, I beg to state that although Mr. Hart was transferred to the Harbour Works Establishment on the understanding that he would retain a lien on his substantive appointment in the Office of the Examiner of Public Works Accounts, yet he was entitled to reckon his service for pension up to 5th June 1880 only, the date on which that permanent appointment was abolished in the reduction of Establishment. His service subsequent to that dates cannot be considered as pensionable even under the provisions of Section 72 (Rule 1) of the Code, as his duties in the Harbour

Works

Works are not of a special nature as contemplated by that Section.

3. In his letter to the Examiner of Public Works Accounts dated 6th October 1882 Mr. Hart requests that he may either be granted a pension for his services upto 5th June 1880, or that his subsequent Services in the Madras Harbour Works Establishment may be declared pensionable. The application is herewith transmitted for such orders as Government may deem fit to pass.

4. The several communications on the subject, received from the Examiner of Public Works Accounts are herewith forwarded for facility of reference by Government.

harbour works being reckoned, tho' not their extra pay. That seems to be the way they wd have treated Ram. Naidu, if he had required the service to qualify him for 1/3 pension. They suggest §71 because they have to go to the Secy of State for sanction if they cannot bring the case under the Code. Surely ~~Hart~~ cannot get a pension while he on temporary duty & there is no necessity for any special order at present in regard to him.

8 March

FOR ORDERS.

The Govt. of India refuse to count service on the Madras Harbour works as qualifying for pension, & refuse to confirm an order of this Govt. (which was clearly ultra vires) ruling that it does qualify in general terms ~~at~~ in the case of Officers transferred from permanent employ under Govt.

~~Still in the case such u/s they counted Harbour service as qualifying~~ The Govt. of India asking Govt. to bring the cases of Officers on the harbour under

Sec: 71 of the code.

This however cannot be done ~~as the permanent~~ in the case of officers who were transferred to the Harbour works long ago. So the Acct. Genl. reports.

Apparently "an understanding that the officer only goes on temporary duty on condition that he will return to Permanent duty" must be on record, the Govt. of India would hold, in writing.

But a contract may be evidenced in various ways & I submit before passing orders this O.M. might go to the Acct. Genl. as the presumption is that such an understanding did exist.

---

x 35

x A.G. says none of them do.

O.M. With reference to the Acct. Genl's letter No $\frac{1.A.E}{490}$ the Govt. observes that Mr. Hufton ~~retains~~ is reported to hold at present a lien on his permanent appt. That his case would therefore appear to fall under sec 71 Civil Pension Code.

With reference to the case of Messrs. Manuel & De Caster the ~~Acct. Genl.~~ Exr. P.W. Accts is requested to ~~call on the Examiner of~~ report through the Acct. General after communication with the Supdt. Madras Harbour works what ~~ground exists~~ proof exists of the correctness ~~for~~ of the Acct. Genl's statement that no definite understanding was arrived at that the officers should revert to their respective substantive appts. when their new appts. ceased to exist. The presumption is that they took up their new appts. on such an understanding there should be definite proof that they did not. (Note The onus seems to be on Govt. who refuse the pension) statements should be taken from them & forwarded to Govt.

With reference to Mr. Hart's case, a regular pension application should be submitted for the retiring allowance due to him up to the date of the abolition of his substantive appt.

7/3/83

Note

Mr. Hart would have got to up again on the Harbour service qualifying question but it is worse. They clearly will not have it so from the state point of view this decision is as sound as from an individual point of view it appears hard. why go on paying when the Harbour is finish?

FOR ORDERS.

The Secretary.

I cannot think that the onus lies on Govt. and even if it did we have in the case of Mr. Manuel a distinct statement, founded no doubt on his own representations, that "he came from the Mil. Pay Examr.'s Office, believing that he was only transferred from one Dept to another". Mr. Thorowgood's letter from § 8 of which this quotation is made (in G.O. 2 Aug 80, 1829 W, D.P.W.) shows that he & his subordtes. believed the service wd. be pensionable & the presumption wd be that they came to no "understanding".

Adverting to § 2 of that G.O. & of India's suggestion about Sec 71 of the Code I am inclined ⊕ (see 1st page)

Note

The O.M. was only intended as a feeler. If the men thought the service they were transferred to pensionable, that seems to me very much like an "understanding that if it was not, they could revert".

I agree as to India's suggestion & its meaning & I understand they will where it is necessary treat Harbour service as qualifying in future cases.

I think however Mr. Hart can get a compensation pension now & propose the O.M. below. x

Sir,

In returning the accompanying documents received with your Official Memorandum No. 18, dated 13th March 1883, I have the honor to inform you that Mr. Manuel having resigned his appointment on the 24th July 1878 on the distinct understanding that he would have no claim to re-entertainment in the Pay Examiner's Office in case of his being thrown out of employment in the Harbour Works, I regret I am unable to authorize his restoration to his former appointment; nor is there any immediate prospect of a suitable vacancy.

Grade is borne on the general list of Accountants sanctioned for the entire Presidency and will be transferred to this Office on the termination of his services in the Harbor Works.

F. N. Thorowgood Esqr. C.E.

Superintendent, M. Harbour Works

Sir,

I beg very respectfully to submit the following facts relating to my early services under Government prior to employment in the Madras Harbor Works, in the hope that they will merit favorable consideration at your hands and justify you in transferring this appeal to the Chief Secretary to Government with a view to my case being enquired into by the Pension Branch of his Department.

2. Before employment in the Military Pay Examiner's Office in 1877, I had been serving in the Prize Department of the Government Military Secretariat for a period of nearly eight years, from June 1863 to February 1871, when my services were dispensed with on reduction of Establishment and held disqualified to count for pension owing to the temporary nature of the employment. At least this was the decision of the Controller of Military Accounts, who had taken charge of the Prize Department and to whom I appealed for a gratuity

3 It has however since transpired that two Hindu clerks, who did like myself serve in the Prize Department and subsequently were transferred to permanent Government appointments, had their cases properly represented by the respective Heads of their Department and the Government were graciously pleased to reckon their service in the Prize Department as being eligible for pension - The individuals above referred to, whose cases I respectfully solicit to cite as a precedent are (1st) Ponringam Mudelly who served with me in the Prize Department and afterwards obtained employment in the Military Department, and (2nd) Arokeasawmy Mudelly who after leaving the Prize Department got the cashkeeper's post in the Military Department.

* P.G. No. 510 of 30 Aug 1875. Pension Dept.

4 Having in view the liberal action of Government on the cases just cited it is not, I submit, unreasonable for me to hope that if the particulars of my case also were properly looked into by referring, for particulars to the Military Account Department, the Government may be pleased to grant a concession in my favor by considering this appeal in connection with the question now before Government as regards my service in the Harbor Works Office.

5. Earnestly soliciting your own kind support for which I shall ever feel inexpressibly grateful

I.

I beg to remain v 49 -

Sir,

I have the honour to forward herewith a letter written to me by Mr. J. Manuel, a Clerk in this Office. It refers to his previous service under Government and I trust will be of some avail to him as he is a hard working man who was sent here in 1877 by Major Conway Gordon R.E. and who believed on coming here that he was still in Government employment for pension. —
