Certified that should Government be pleased to treat the period of the applicant's services from 18th October 1862 to 18th May 1880 as qualifying superior service on attention is solicited to Section 23. The strength of his affidavit, statement of contemporaneous servants, original certificate of character, and the specific opinion of the head of office that the service claim is is probably satisfactory are shown here, I think, as worthy qualifying service in inferior grades will amount to 17 (seventeen) years 7 (seven) months and 10 (ten) days and that a compensatory gratuity not exceeding Rs. 35 (thirty five) equal to 5 (five) months pay at Rs. 7/- per mensem will be admissible under Section 100 & 117(a) of the Civil Pension Code.

The calculations have been duly verified. The compensatory gratuity, if sanctioned, is chargeable to General (now Provincial) Revenue. With reference to Section 130 Sub. 4, attention is drawn to Section 65 of Civil Pension Code.
