GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—again G.O., 28th February 1883, No. 189, Pension.

READ—also the following papers :—

From the Collector of North Arcot, dated 9th March 1883, No. 12.

Certificate and report from the Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 6th April 1883, No. A.D.J.-4.

Certified that, should Government be pleased to commute the applicant's absence without leave on the several occasions particularized in the margin into leave without allowances, as required by Rule 7, Section 93, of the Civil Pension Code, qualifying service in superior grades will be duly proved for twenty-three years, 8th to 13th March 1875.
4th to 7th August 1879.
19th February 1880.
11th to 18th April 1881.
10th to 17th October 1881.

nine months, and twenty-eight days, and that an invalid pension, not exceeding Rs. 11-10-8 per mensem, equal to one-third average emoluments, will be admissible under Sections 102 and 109 (b) of the above Code.

It will be seen from the first page of the application that the Collector proposes the grant to the applicant of a pension of Rs. 12-5-3 in lieu of Rs. 11-10-8 only per mensem, the amount recommended by this office. The difference, it is presumed, is due to the inclusion in the calculation of average emoluments of acting allowances drawn by the applicant during the last five years of his service, and it has, therefore, been excluded from the calculation made by this office.

It is observed that in paragraph 2 of his letter, No. 12, dated 7th March 1883, the Collector hopes that the applicant may be granted a half-pension in lieu of a one-third pension only. His total period of qualifying service amounts to twenty-three years, nine months, and twenty-eight days. Even granting that Government would be pleased to condone, under the powers vested in them by Section 120 of the Code, a deficiency in the applicant's service to the extent of one-half of his inferior service, which will be twelve months, the total period of service will still be short of twenty-five years by two months and two days.

If Government are, however, disposed to accept the Collector's recommendation and accordingly grant the applicant any pension higher than the amount mentioned in the 1st paragraph of this report, it is respectfully pointed out that such grant will need the confirmation of the Government of India in the Financial Department.

In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

No. 28.

OFFICIAL MEMORANDUM.

With reference to his report A.D.J.-4, dated 6th April 1883, the Accountant-General is requested to report whether the sick leave granted to Kandasawmi Mudaliyar in 1879 and 1881, amounting to two months and seven days in all, can be converted into

privilege leave under Section 139 of the Civil Leave Code, in which case a half-pay pension could, it would appear, be passed to the applicant without the sanction of the Government of India.

OOTACAMUND,
21st April 1883.

(Signed) J. D. REES,
Acting Under Secy. to Govt.

To the Accountant-General, with Register.

From W. DONALD, Esq., Officiating Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, No. I.A.E.-24.

With reference to your Memorandum, No. 28, dated the 21st of April 1883, I have the honor to state that the leave on medical certificate for seven days from 1st to 7th December 1879, and the leave without allowances for two months from 18th October to 17th December 1881, granted to Kandaswami Mudaliyar, cannot be converted into privilege leave under Section 136 of the Civil Leave Code, as he had not on the first occasion completed eleven months' continuous service from date of last return to duty from absence without leave for four days from 4th to 7th August 1879, and as on the second occasion he was granted leave without allowances for two months in continuation of absence without leave for eight days from 10th to 17th October 1881.

2. It will be seen from the above that the rules will not admit of the commutation of absence for the period of two months and two days into qualifying service, which is still required to complete twenty-five years' service, even after converting the applicant's inferior service into superior service to the extent of twelve months under the powers vested in Government by Section 120 of the Civil Pension Code. The applicant, therefore, cannot be granted a half-pay pension as proposed, without the previous sanction of the Government of India in the Financial Department.

The enclosure to your memorandum under acknowledgment is herewith returned.

ORDER—dated 19th May 1883, No. 426, Pension.

Under Sections 102 and 109 (b) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Chintadripet Kandaswami Mudaliyar, late English Head Clerk, Sub-Collector's Office, North Arcot, an invalid pension of Rs. (11-10-8) eleven Annas ten, and Pies eight per mensem, payable at Vellore from 27th July 1882, in consideration of his qualifying superior service of twenty-three years, nine months, and twenty-eight days.

2. The several periods of applicant's absence without leave, amounting in all to twenty-seven days, have been commuted into leave without allowances under Section 93, Rule 7, of the above Code.

His incapacity does not appear to me to have been caused by irregular or

 From: Senior Major Genl.

 Collector of North Arcot
 Sir,

I have the honor to forward
 for submission to Government, the
 accompanying application for pension
 on behalf of Ghintadipati Coudasama
 Mudaliar, late English Head Clerk
 of my Office.
 2. You will observe from the
 history of his service that his total
 service (inferior & Superior) exclusive
 of leave for amount to 48-27-7-12.
 Deducting from this the amount of
 inferior service (3-9-25) there is
 the remainder 23-9-23 which represents
 the period of Superior qualifying
 service of which 19 years he was
 English Head Clerk of this Office.
 According to the Third Letter, the
 applicant falls under Class
 3 Section 109 of the Civil Pension
 Code and he is entitled to a pension
 equal

Amayya

equal to one third of the average
 emoluments Rs (12-5-3). If on
 the other hand, had he been fit to
 continue in the service for a little
 over one year more, he would be
 entitled to a pension equal to
 half of the average emoluments
 Rs. 18-7-10 under Class C. of the
 same Section. It would be very
 hard on the applicant if he was
 deprived of the difference. If
 Government, as a special case, will
 regard $3\frac{3}{4}$ of inferior service as
 equivalent for the 18 months service
 deficient in the higher class he will
 not suffer the serious loss of not pay
 from his pension. I understand this
 has been done in similar cases and
 I venture to submit the Petitioner's
 prayer for your approval.

 Surgeon at Vellore giving his detailed reasons
 for invaliding G. Gundasami Muralidhar,

From his premature old age
 Gundasami Muralidhar was latterly of

From

The Collector of

To

The Chief Secretary to
Government
- Fort St George

Sir

I have the honor to submit the
following case for the order of
Government

On the 22^d August last, the Acting
Sub Collector informed me
a pension application on behalf
of Kandanani Mudaliar, the Head
Clerk of the Sub Collector's Office,
supported by a Medical Certificate

Kandanani Mudaliar's
services as verified by the Treasury
Deputy Collector. He has served a
period of 28 years, 9 months and
28 days, which entitles him to
only an invalid pension not exceeding
1/3 of the average pay or Rs 12.53 but
the

Paid 10/6/83

the Ag. Sub Collector proposes that
he might be recommended for the
Honorable consideration of the
Government in view to 3 years 9 months
of his inferior service being treated
as an equivalent to 13 months service
deficient in the Superior grade and
to grant him an immediate pension
not exceeding half of his average
monthly salary on Rs 18. 7. 10.

Under Section 120 Clause (1) of
the Civil Pension Code & Section
the Government of India and the
Local Governments are supposed
to condone a deficiency of only
3 months and 1 month respectively
in qualifying service, if the pension
is an Imperial Charge as in the
present case. But where an Officer
claiming a pension has a con-
siderable inferior service, the
Government of India and the
Local Governments by Section 120
Clause (2) are supposed to
sanction the former only, 12 months
of inferior service being taken
to count towards a deficiency in
the

the qualifying service and the
latter 3 months of such inferior
service towards the same end.

It would thus appear that
although a candidate made a de-
fect of 3 years 9 months of inferior
service, only 12 months of it can
be taken to account towards the
deficiency in his qualifying service.

It therefore appeared to me
that the best plan would be to allow
him to serve for 3 months more
and then apply for pension under
Section 120 Clause (2); and
Kandamudi Mudaliar was accord-
ingly permitted to return to duty
on the 28th October, the intervening
period having been occupied
in resigning his services and in
correspondence with the Secretary
Deputy Collector, the Ag. Sub Collector
and District Officer.

The Acting Sub Collector
has since brought to my notice
that under Rules & Sections of the
Civil Pension Code Kandamudi
Mudaliar

Madalio can at present do no
more pay, nor would his service
count him in pension, and as
the special sanction of the local
Government and the Medical Board
certificate was submitted, and he
requested that sanction may be
obtained for retaining him in the
service for 3 months i.e. till the end
of March next to entitle him to a
pension equal to half his average
salary and for treating the period
between the date of Medical Board
certificate and 28th December as leave
without allowance.

I have the honor accordingly
to request that Government will be
pleased to sanction the arrange-
ment above recommended.
