GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

Read—the following papers :—

From the Master Attendant, Madras, dated 18th April 1883, No. 3510.

Certificate and report from the Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 27th April 1883, No. A.D.J.-30.

Certified that, should Government be pleased to condone the breaks on the two occasions particularized in the margin, qualifying service in superior grades will be duly proved for twenty-two years, six months, and five days, and that a superannuation pension not exceeding Rs. 22-14-4 per mensem, equal to one-third average emoluments, will be admissible under Sections 106, 109 (*b*), and 111 of the Civil Pension Code (5th Edition).

6th to 14th August 1861.
22nd to 30th March 1867.

2. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

Certificate and report from the Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 27th April 1883, No. A.D.J.-31.

Certified that, should Government, with reference to the Collector's remarks recorded opposite to No. 5 in the third page of the application, be pleased to accept the applicant's retirement from the service enforced by the Collector on the ground of inefficiency owing to old age, notwithstanding that the charge of inefficiency is contested by the certificates granted by two Medical Officers, qualifying service in superior grades will be duly proved for four years, four months, and four days, and that a superannuation gratuity not exceeding Rs. 26-10-8, equal to four months' pay, multiplied by the fraction $\frac{4}{10}$ths, will be admissible under Sections 106, 109 (*a*), and the proviso under Section 111 of the Civil Pension Code (5th Edition).

2. It should be noticed that the applicant held conjointly two appointments from 27th October 1878, the one as Conservator of Ports, and the other as Superintendent of Customs, Cannanore. On inquiry, the Collector reports that the former appointments falls under the provisions of Section 121 of the Code; and hence the application for a separate retiring allowance for service rendered in that appointment has been entertained. The case appears to be one precisely similar to that of Mr. Rozario, disposed of in G.O., No. 366, dated 3rd July 1879.

3. The gratuity admissible will be debitable to Port Fund.

4. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

Order—dated 21st May 1883, No. 437, Pension.

Under Sections 106, 109 (*b*), and 111 of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Mr. John Boyer, late Sea Custom Superintendent and Conservator of Ports, Cannanore, a superannuation pension of Rs. (22-14-4) twenty-two, Annas fourteen, and Pies four per mensem, payable at Calicut from 1st March 1883, in consideration of his qualifying superior service of twenty-two years, six months, and five days, and under Sections 106, 109 (*a*), and the proviso under Section 111 of the same Code, to grant him also a gratuity of Rs. (26-10-8) twenty-six, Annas ten, and Pies eight, equal to four months' pay, multiplied by the fraction $\frac{4}{30}$ths, for his superior service of four years, four months, and four days as Conservator of Ports of Cannanore.

2. The gratuity will be debited to Port Fund.

3. The two short breaks in the applicant's service in 1861 and 1867 fall under exception (*h*), Section 96, of the above Code.

4. The applicant's prayer to be retained in service on the strength of medical certificates affirming his fitness for duty cannot be complied with, the Collector having certified that he is inefficient owing to his age, which is shown by his service book to be upwards of fifty-five years.

The Memorial of John Boyer, late
Superintendent of Sea Customs, an
Conservator of the Port of Cannanore

Most respectfully sheweth,

That Your Excellency's Memorialist is compelled under circumstances of distressing necessity to approach Your Excellency in Council with this Memorial of his unhappy and painful case, and appeal against the order of the Collector of Malabar, directing his premature retirement from the service as Superintendent of Sea Customs, and Conservator of the Port of Cannanore.

That the ground alleged by the Collector for Memorialist's retirement is one, which Memorialist most respectfully and submissively urges for Your Excellency in Council's special consideration to decide upon, since Memorialist is in no way whatever inefficient or permanently disqualified from any mental or physical infirmity, as to render him unfit for further service. Memorialist therefore, ventures with due deference and humble submission, to lay before Your Excellency in Council the whole circumstances of his case as well as copies of all Papers connected therewith for Your Excellency's kind and indulgent consideration, as they contain the true accounts of facts as they have transpired from the beginning, and how they, at length, terminated in Memorialist's unfortunate compulsory retirement from the service, and which, Memorialist is sorry to say, is indeed extremely painful and revolting to Memorialist's feelings as an old public servant over 23 years standing in the service with unblemished character, to be so unreasonably and inconsiderately dealt with, without in the least stopping to afford the consideration called for in his case.

That in March last Your Excellency's Memorialist received a Notice from the Collector's Office Malabar bearing date the 23rd of that month (vide Appendix A) informing him that his services as Superintendent of Sea Customs will be dispensed with, under the circumstances stated therein. Whereupon, Memorialist at once availed himself of representing his case officially in writing to the then Acting Collector of Malabar Mr G. McWatters (vide Appendix B), and in support of his statement therein contained, Memorialist has at the same time submitted therewith a Medical Certificate (vide Appendix C) from the Civil Surgeon of the station before whom he had appeared and was examined as to his then state of health and physical fitness, and urged his claim to the right of retention in his post of Superintendent of Sea Customs to be favorably considered, if the same was not to be abolished altogether in the reorganization of the Sea Customs Establishments and himself allowed the indulgence to continue in the same, on any scale of salary which may hereafter be fixed and determined upon, or provided with any other suitable appointment in consideration of his past long, faithful and continuous service in Government employment and proved competency to serve longer. Here Memorialist begs to state, the matter rested for a while without any further order being received on the subject.

That in October last when Memorialist came to know that the Collector was about to have some of the Government Servants in the Malabar District who have attained the age of 55 years and considered insufficient to remain longer in the service, recommended for pension, Memorialist imagining that it might sometime affect him also (being 55 years of age) has made another Official representation to Mr Logan the Collector (vide Appendix D) submitting therewith copy of Appendix C for his kind consideration; and while this was pending before him, Memorialist had again heard in February last, that his retirement from the service was positively decided to take place, whereupon he availed himself of sending another Official representation to Mr Logan (vide Appendix E) urging his case for his special consideration, so that exception may be made of him upon the Medical Certificate already submitted before. To this representation, as Memorialist received no answer or order whatever, he was again obliged to write another Official letter to the Collector (vide Appendix F) in continuation of Appendix E submitting therewith for his information another Medical Certificate (vide Appendix G) as to his physical fitness, indulging every hope that his case would not have failed to meet with the desired for consideration on the face of such document; and thus while labouring under such anxious expectation, Memorialist has, to his utter regret and astonishment, been favored with a Malayalum order (vide Appendix H), which came as death knell upon him, ordering him to retire from the service on the ground of old age from the 1st March 1883. Thus putting an end to Memorialist's career in Government employment, and frustrating him of all the hopes he had aspired of being allowed to remain and continue longer in the service.

That Your Excellency's Memorialist is now left to the onerous task of pleading his hard case before Your Excellency in Council, and to state with due deference that although Memorialist has already attained the age of 55 years, his retention in the service, he humbly presumes, is not altogether barred by the Rule, if a proper view of his case is taken. And though Section 106 of the Civil Pension Code authorizes the Local Authorities at their discretion to presume that an Officer is inefficient at 55 years of age conditionally, and at 60 years of age absolutely, yet the tenor of the Rule is, that such presumption shall be exercised with careful consideration both for the individual, who would suffer, by being deprived of his appointment while capable of discharging its duties, and for the finances of the country, which would suffer, were Officers still efficient prematurely thrown upon the Pension list. and further, to protect Public Servants of Government from being wrongfully dealt with in this respect, and in order to obviate misconception, the Secretary of State has been pleased to rule (vide order No 87 dated 8th August 1872 quoted at the foot-notes under Rule 1 of Section 106 of Civil Pension Code), "That the various Government and Administration will always be disposed to extend to this Rule a very liberal interpretation, and that the State may, in no case, be deprived of the valuable experience of really efficient Native Officers by the untimely exercise of the powers of compulsory retirement on pension."

That Memorialist being an old Uncovenanted Public Servant and capable of discharging his duties efficiently for still further period of many years as pronounced and verified by competent Commissioned Medical Officers in their respective Medical Certificates granted to Memorialist, he considers it a very serious grievance and injustice done to him, to be so absolutely compelled to peremptory untimely retirement from the service under 55 years rule, without any consideration being shewn by the Collector as his case called for. And Memorialist is therefore compelled to recur to Your Excellency in Council with this Memorial of his hard case, imploring in the most humble and suppliant manner, that Your Excellency in Council, will be graciously pleased to give a more beneficient and liberal conside ation to the same, and pass a favorable and equ table decision thereon, to his being reverted to his late appointment and retained in the service under 60 years rule, as was accorded to several old servants of Government a boon, which Memorialist humbly and earnestly craves, will not be denied to him by Your Excellency in Council under the peculiar circumstances of his case, as represented in this Memorial.

And

And Memorialist as in duty bound
Shall ever pray.

Notice

To
Mr John Boyer,
Superintendent of Customs,
Cannanore.

Under Section 100 of the Civil Pension Code, you are hereby informed that your services as Superintendent of Sea Customs Cannanore will be dispensed with, on or after the expiration of three months from this date, owing to the reorganization of the Customs Establishment now under contemplation before Government.

A gratuity or pension according to your claims will be granted to you in case you are not provided with any other appointment by the said date.

To
G. McWatters Esquire,
Acting Collector of Malabar,
Calicut.

Sir,

With reference to Notice received from your Office dated 23rd Ultimo, informing me that my services as Superintendent of Sea Customs will be dispensed with, on or after the expiration of three months from the date thereof owing to the reorganization of the Sea Customs Establishment now under contemplation before Government, I beg leave most respectfully to state, that I am quite at a loss to know whether it is in consequence of the reduction of expenditures to be made in the Sea Custom Establishments that my services are required to be dispensed with, or that under 55 years Rule, I have been considered old and incapable of being retained in my present appointment any longer: if in the former case, I beg to state, I would willingly submit to any reduction which may be in contemplation to be made in my present salary as Sea Custom Superintendent, than be compelled to retire from the service rather prematurely. but if in the latter, I would earnestly urge, that my case is one for special consideration, since my present state of health and mental faculty are so good and sound, that unless incapacitated by sickness, I am able and eligible enough to continue to serve the State for many years yet.

That on reference to my Service Book now in your Office, it will be seen that all the appointments I have held, since I have been entertained in the Government employment, were of substantive and responsible nature, and of salaries varying from Rs 20 to Rs 125 per month, and that my services, which extend over 22 years, have been fully appreciated and testified in general term by the Authorities under whom I have had the honor of serving.

That being still in the full enjoyment of sound state of health and more so, not affected with sickness of any kind known to the contrary, physically fit for further service, I would respectfully beg your kind consideration in my case, and see justice done to retain me in my present post of Superintendent (if the same is not to be abolished altogether in the reorganization of the Sea Customs Establishments) on any scale of salary which may hereafter be fixed in that post, or provided with any other suitable appointment which you may consider I am deserving of, in consideration of my past long, faithful and continuous Service in Government employment. In support of what I have stated above in respect of my physical fitness &c. I beg to submit herewith for your perusal and consideration the Medical Certificate granted me by the Civil Surgeon of this Station, and under the circumstances therein certified I trust, I will not be denied of the boon I now presume, most respectfully, to crave from your hands.

Begging that the inclosed Original Certificate may be returned if not specially required to be retained any longer.

Sir,

I beg to report to you that I have this day received an Order (No. 196 dated 15th Instant) from the Collector of Malabar informing me that he has appointed One Ganesh Shanay, the Head Accountant of his Office, as Superintendent of Sea Customs here in my room, and directing me to deliver over charge of Office to him on the 1st March 1883. The object of making this appointment now is, I believe, because I have attained the age of 55 years, and the Collector considers it is high time for me to retire from Service.

That in accordance with this order, my appointment and Services as Superintendent of Sea Customs will cease from the date mentioned therein, and I presume, I shall be called upon to retire from the service before I complete my time to be entitled to full pension, which is only wanting two years more. But as I received no orders from you with regard to my post of Conservator of this Port, and being quite at a loss as how to act, I beg you will be so good as to favor me with your order and instructions on the subject as early as possible.

SIR,

With reference to your application for pension on behalf of John Boyce late Superintendent of Customs and Conservator of Ports Cannanore, I have the honor to enquire as follows:-

(a) Whether the applicant retained lien in his permanent appointment as Assistant Superintendent Sea Custom House [illegible] Division while employed temporarily as Head Accountant in the [illegible] Department from 1st August 1866 to 22d March 1867 as shown by the entries in his Service Book and if so, why the applicant was not permitted to resume his substantive appointment immediately after he lost the temporary post by abolition.

(b) Whether the minor appointment of Conservator of the Port of Cannanore which the applicant held from

2

27th October 1878 to 28th February 1883 falls under the provisions of Section 121 or 122 of the Civil Pension Code. If it falls under the former Section why was he not recommended for a gratuity separately for the service rendered in that appointment.

Assuming that the omission is due to an oversight, I have to observe that any gratuity admissible for the above appointment should be liable for reduction under the operation of the Proviso under Section 111 of the Code, and that the applicant's pension should be calculated on the emoluments of his other appointment in the Customs Department.

If the gratuity referred to above is debitable to Port Funds, I would suggest that the application for it be submitted through the Master Attendant.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

No. A.V. 31 Certified that should Government with reference to the Collector's remarks recorded opposite item 5 in the 3rd page of the application, be pleased to accept the applicant's retirement from the service enforced by the Collector on the ground of inefficiency owing to old age notwithstanding that ~~his~~ the charge of inefficiency is contested by the Certificates granted by two Medical Officers, qualifying service in Superior Grades will be duly proved for 4 years 4 months and 4 days; and that a Superannuation Gratuity not exceeding Rs. 26-10-8 equal to 4 months pay multiplied by the fraction 4/30th will be admissible under Sections 106, 109(a) and the proviso under Section 111 of the Civil Pension Code 5th Edition.

It should be noticed that the applicant held conjointly two appointments from 27 October/78 the one as Conservator of Ports and the other as Superintendent of Customs Cannanore. On enquiry the Collector reports that the former appointment falls under the provisions of Section 121 of the Code; and hence the application for a separate retiring allowance for service rendered in that appointment has been entertained. The case appears to be one precisely similar to that of Mr. Rozario disposed of in G. O. No. 365 dated 5th July 1879.

The Gratuity admissible will be debitable to Port Funds.

In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.
