Gangam Division Office
Bengaluru. 13 April 1892
The Executive Engineer
Gangam Division

To,

The Superintending Engineer, Circle
Dowlaislandam

Sir,

Referring to your Nos. 243 dated
5th Instant, I have the honor to state
that the delay in disposing of the gratuity
applications of the lascars therein alluded
to was due to the following causes.

The services of both the lascars
G. Kammiah and G. Parimian were dispan-
sed with in the Viragapattam Division
the former on the 14th December 1889, and
the latter on the 3rd October 1892. On the
transfer of papers ~~from~~ to this Division
when prepared no communication
was apparently received from the Viragap-
attam Division regarding these men's
gratuity cases nor were they noted
in the list of announcements or undispun-
sed of references, so that this Office
was not in a position to know that
any action was necessary till the

men themselves required personally
at the Divisional Office about May
last regarding the gratifications due to them.
Their cases were then put in hand but
could not be proceeded with expeditiously
as their services had to be verified
from old records owing to the fact that
the service books of the former of the two
casars was quite incomplete while
now had been maintained for the
latter. The search in the records
was unavoidably prolonged owing
to the confused state they were in
since transfer from the Viraopatham
Division and further to the circumstan-
ces that the current work was heavy
enough for the Establishment which was
also short handed till lately since
Clerk Murchison punctilio's transfer to
Lyddanari.

I have &c
(Signed) G. Subyachannan
Assistant Engineer in charge
Ganjapur.
