GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

Read—the following papers:—

From the Conservator of Forests, dated 11th April 1883, No. 76.

Certificate and Report from H. F. CLOGSTOUN, Esq., Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 27th April 1883, No. 37-A.D.J.

Certified that, should Government, with reference to the explanation furnished by the Conservator of Forests in his letter, No. 76, dated 11th April 1883, accompanying, be pleased to accept the medical certificate submitted in support of the claim, which is dated two months and seven days after the applicant ceased to do duty, qualifying service in superior grades will be duly proved for twenty-four years and nine months; and that an invalid pension not exceeding Rs. 100 per mensem, equal to one-third average emoluments, will be admissible under Sections 102 and 109 (*b*) of the Civil Pension Code, 5th Edition.

2. It will be seen from the second page of the application that there is a break in the continuity of the applicant's service extending over a period of seven months and twenty-three days, viz., from 8th September 1857 to 30th April 1858, caused by dismissal from the public service. Under the terms of Section 97 of the Civil Pension Code, the break should be viewed as one entailing forfeiture of past service, unless, under Rule 2 of the same Section, the dismissal order was reversed by the appellate authority and was followed by reinstatement. This would appear to have been the case from a note in the column of "Remarks" in the second page of the application, but no record is appended in support of the note.

3. All endeavours by this office to obtain a copy of the Government Order ordering the applicant's reinstatement in his former post have proved futile.

4. From a memorandum furnished with the application, it appears that Colonel Sankey is personally acquainted with the facts of the case, and that he is willing to give any information which may be needed by the Pension Department in reference to the above break. Should Government, therefore, see fit to obtain from Colonel Sankey a declaration to the effect that the dismissal was reversed by the appellate authority, and that the applicant would have been reinstated in his former appointment had it not meanwhile been abolished, and should the service rendered prior to the date of dismissal be admitted, the applicant's total qualifying service will exceed twenty-five years, entitling him to a pension of Rs. 150 per mensem. Should Government, on the other hand, not be disposed to call for such a declaration, it may, in accordance with G.O., No. 483, dated 3rd February 1883, Revenue, condone, under Section 120 of the Code, the deficiency of service to the extent of three months, so as to admit of the grant of a half-pay pension.

5. In accordance with Rule 4 under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

Proceedings of the Board of Revenue, dated 4th May 1883, No. 3636.

Abstract.—Submitting to Government letter from the Conservator of Forests, Southern Circle, dated 22nd April 1883, No. 186, placing on record his appreciation of the services of A. Cundasawmy Moodelliar, late Assistant to the Conservator of Forests.

Order—dated 21st May 1883, No. 440, Pension.

Under Sections 102 and 109 (*c*) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Arcot Cundasawmy Moodelliar, late Assistant to the Conservator of Forests, Central Office, an invalid pension of Rs. (150) one hundred and fifty per mensem, payable at Saidápet, from 1st February 1883, in consideration of his qualifying superior service of twenty-four years and nine months.

2. A deficiency of three months in the applicant's service has been condoned under Section 120 of the above Code to enable him to draw a half-pay pension, which he has well earned by meritorious service extending over so many years.

3. The medical certificate, dated two months and seven days after the applicant ceased to do duty, is accepted under Section 128, Rule 2, of the above Code.

Sir,

With reference to your letter
No. 285 dated the 15th September 1882,
I have the honor to state that the pre-
:sent of A. Venkatasawmy Pantulu
Assistant in charge of the Central
Office, Coconada, certified and the
seal of the certificate is as
follows.

2. In respect of the certificate
of the period of service from 1st May 1865
to April 1867, I regret to say that
reference to the statement furnished
upon enquiry by the Collr. Ry. Sub. dated
the 21st January 1882.

3. Venkatasawmy Pantulu was
for the period 1st May 1865 to
31st October 1867 in receipt of the
Revenue Salary of Rs. 30 per
year on record in this Office
the certificate of service from

the

the pensions so, it is presumed, due to the fact that the establishment on which he was employed was regarded as temporary. The period, however, might be added towards pension under the authority conveyed by G.O. No. 181 dated the 3 October 1872, Revenue Department.

4. The period for the period 21 November 1861 to the present date as detailed in the Service Book has been verified by reference already to the Annual returns and finally to the Audit Register as recorded in this Office and found to be correct with the single exception that the promotion of Conductor Mundeliar from Rs. 30 per mensem to Rs. 35 per mensem to take effect from the 6 March 1863 and not from the 13 April 1863 as shown in the Service Book and G.O. No. 107 dated the 28 April 1869 Revenue Department.

5. With reference to paragraph 2 of the Board's letter cited Conductor Mundeliar's services have been fully established to entitle him to a pension equal to half his own emoluments, plus one fifth for each of the completed years of his service, not exceeding 30 years, it will have to be calculated by the Government of India, referred to the provisions of section 38 of the Civil Service Code. Should, however, that officer die during, Mundeliar's service would count towards to make up 25 years, entitling him to a half pension.

6. Should, however, the Board think it necessary that the question should be raised as to the time when the Office and quit the service of the Civil Service Code.

7. The file of papers forwarded with your letter under reference will be returned herewith as requested that it may be laid before the Office of the Accountant for the information of the Board.

through the Accountant General.

Sir,

Enclosures.

I have the honor to submit an application for pension on behalf of Govindaswamy Pillai late Assistant to the Conservator.

2. When the reorganization of the Central Office took effect under Government Order dated 22nd December 1882 & No 1472 it was supposed that Govindaswamy Pillai might retire upon "Compensation" instead of invalid pension but at the abolition of his appointment unnoticed no saving to the State he was directed to submit the usual Medical certificates

certificates which are herewith forwarded.

3. Candasamy's Hereditary Continuous Service in this Department amounts to 24 years and 9 months as will be seen from the accompanying application and there is a deficiency of only 3 months' service to entitle him to a pension Equal to one-half his average Emoluments. He has however been very nearly 28 years in the Senior Service.

4. I therefore request that Government will be pleased to condone the deficiency in consideration of the long and creditable service rendered by him and this if it is believed is within the power of the Local Government to do, Vide G. O. 1458 dated 3rd February 1873.

5. The circumstances connected with the applicant's retirement and previous service will be found in papers already submitted to Government prior to those of the cases above quoted.

CERTIFIED that I have carefully examined A. Cundasawmy Moodelliar son of Arcot Rungasawmy Moodelliar His age is by his own statement 54 ½ years, and by appearance about 55 I consider A. Cundasawmy Moodelliar to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of Peal Observed Hypertrophy in Aortic Valves. General debility.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

PROCEEDINGS of the Civil Medical Board held at the Office of the Surgeon-General with the Government of Madras, on Saturday the 7th April 1883.

THE Committee have carfully examined Veerabadrayya, Mus 8° son of Ramayya Mustri a Peon of Board Office in the Conservancy Dept. His age is, by his own statement, 54½ years and by appearance about 55 years. We consider him to be completely and permanently incapacitated for further service of any kind in consequence of Obesity, and elephantiasis of the Scrotum

His incapacity does not appear to us to have been caused by irregular or intemperate habits.
