CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

No 447/37 Certified that should Government with reference to the explanation furnished by the Conservator of Forests in his letter No 76 dated 11th April 1883 accompanying, be pleased to accept the Medical Certificate submitted in support of the claim which is dated 2 months and 7 days after the applicant ceased to do duty qualifying service in superior grades will be duly proved for 24 years and 9 months; and that an Invalid pension not exceeding Rs 100 — per mensem equal to 3/5 average emoluments will be admissible under Sections 102 and 109(b) of the Civil Pension Code 5th Edition.

It will be seen from the 2nd page of the application that there is a break in the continuity of the applicant's service extending over a period of 7 months and 23 days viz. from 8th Sept. 57 to 30th April 58, caused by dismissal from the Public Service. Under the terms of Section 97 of the Civil Pension Code the break should be viewed as one entailing forfeiture of past service, unless under sub 2 of the same Section the dismissal Order was reversed by the appellate authority and was followed by reinstatement. This would appear to have been the case from a note in the column of "remarks" in the 2nd page of the application but no record is appended in support of the note.

All endeavours by this office to obtain a Copy of the G. O ordering the applicant's reinstatement in his former post have proved futile.

From a memo furnished with the application, it appears that Col: Sankey is personally acquainted with the facts of the case and that he is willing to give any information which may be needed by the Pension Department in reference to the above break. Should Government therefore see fit to obtain from Col: Sankey a declaration to the effect that the dismissal was reversed by the appellate Authority and that the applicant would have been reinstated in his former appointment had it not meanwhile been abolished and should this service rendered prior to the date of dismissal be admitted the applicant's total qualifying service will exceed 25 years entitling him to a pension of Rs 150 — per mensem. Should Government on the other hand not be disposed to call for such a declaration it may in accordance with G. O. No 483 dated 5th February 83 Revenue condone under Section 120 of the Code the deficiency of service to the extent of 3 months, so as to admit of the grant of a half pay pension.

In accordance with Rule 4 under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.
