GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Superintending Engineer, Fourth Circle, dated 21st December 1882.

Certificate and report from R. G. MACDONALD, Esq., Acting Examiner of Public Works Accounts, to the Secretary to Government, Pension Department, dated Madras, 29th March 1883, No. 782-A.R.

Certified that qualifying service in superior grades, in the Public Works Department, has been duly proved for five years, ten months, and ten days, and that a compensation gratuity not exceeding Rs. (200) two hundred, equal to five months' emoluments at Rs. 40 per mensem, is admissible under Sections 100 and 109 (a) of the Civil Pension Code.

2. The calculations have been duly verified. The compensation gratuity, if sanctioned, is chargeable to General (now Provincial) Revenues.

3. With reference to the letter of the Government of India, Department of Finance, to Government of Bombay, No. 106, dated 10th January 1881, printed at foot of page 46 of the Civil Pension Code, it appears doubtful whether any retiring allowance should be granted to the applicant at present.

4. With reference to Section 130, Rule 4, attention is solicited to Section 65 of the Civil Pension Code.

ORDER—dated 23rd May 1883, No. 442, Pension.

Under Sections 100 and 109 (a) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Tenampett Narayanasawmi Pillai, late Draftsman, Coimbatore Divisional Office, a compensation gratuity of Rupees (200) two hundred, equal to five months' pay, payable at Coimbatore, in consideration of his qualifying superior service of five years, ten months, and ten days.

2. The applicant who was discharged on reduction in 1879, was taken on by the Local Fund Board at a reduced salary, and is therefore clearly entitled to the gratuity sanctioned under paragraph 4, G.O., 16th February 1881, Nos. 193 and 194 (Pension). The difference between this case and that cited by the Examiner is that in the latter the applicant for pension was taken on in Government service.

3. The Government observe that the delay which had occurred in the submission of this application remains unexplained.

The Executive Engineer
 Coimbatore Division
 Respected Sir

In conformity with your honor's
 endorsement No. 35 of 1st instant on a original
 letter from the Examiner of P.W. Accounts to the
 superintending Engineer returning my service
 Register and application for gratuity to furnish
 some more information, I humbly beg to inform
 you that while I was in the Palghat Range,
 I had enjoyed 2 months sick leave on half
 pay from 8th April 1875 to 7 June 1875 this, I regret
 to state by an oversight, was not noted in my
 service Register -

In regard to para 3 of the Examiner's
 letter I humbly beg to state that my service in
 the L. F. Department as would be seen from my
 service Register commences from 1st January /80

employees who have been entertained prior to 1st

And the rate of pay I am ^{drawing} now is Rs 35 per month
 while in the D. P. W I was drawing Rupees 40
 and thus I hold now in the L. F. Board is
 an appointment on a lesser pay than that
 I was drawing in the D. P. W.

His present interest
 also carries Mr.
 Newman

I humbly beg therefore your honor
 to retransmit my pension papers at an
 early date to the Examiner of P. W. Accounts.
 The Examiner's letter as well as
 my Service Register and application for
 gratuity are returned here with.

I beg to remain

In N-357

Coimbatore
11th November 1882

To,

J. P. Davidson Esq.
Executive Engineer
Coimbatore.

Respected Sir,

I humbly beg to inform Your Honor, with reference to your Honor's endorsement No. 534 of 9th October 1882, communicated to me through the Local Fund Engineer, that when my services were transferred to the Local Fund Engineering Department, during the early part of the year 1882, it was an undecided point whether the pensionary advantages would be granted to the office establishment of the Local Fund Engineer's Office to which I was transferred as a draftsman during the reduction in the C.D. & G.

At first by L.O. No. 606 of 29th May 1881 (an extract of which is enclosed herewith) I came to understand that Local Fund employees who have been entertained prior to the 20th May 1881, can claim pension as of right,

this order gave me false hopes that the depart-
ment was pensionable and which kept
me in vain suspense from applying there only
for gratuity to your honor for which I am
entitled (Vide Service Register enclosed) But
in reality on looking carefully in to the orders
Subsequently received one after the other on the
Subject, it was found that the order referred to
above was a different one and was applicable
to that description of Local Fund Servants
engaged under the old condition Viz Local
Fund employes of the grades specified in
paras 164, 165, & 166, of Standing order No 97.
these in other words can be called as Sub-
Provincer & Overseers paid out of Local Funds
before the transfer of Local Fund Works from
D O H.

By Order of 6
October 1881
& No 1935 of 10
October 1881

I am therefore in no way connected
with them being paid partly out of Provincial
Funds during the whole period, I served in
the D.O.H. as Draftsman and hence I am not
eligible for pension in the present Local Fund
Services.

These and the enclosed copy of Proceed-
ings of the Board of Revenue No 12 of 12 June 1881

which is supposed to be the final order, compelled
me to apply to your honor for gratuity. In the
latter Proceedings it is clearly put down that
Engineers, & Draftsmen &c though entertained
prior to the 20th May 1881, are not entitled
to claim pensions; as perusal of which and
the G.O. No 383 of 25th May 1882 and it would
convinced your honor that I am worthy of
getting some remuneration from the Govern-
ment for my past services in the D.O.H.
and I beg that my case may be treated like
others who were ^{during the reductions of 1879} thrown out of employ and
pensioned in the D.O.H. and afterwards employ
in the Local Funds.

2. In reply to Para 2 of the order under
reference, I humbly beg to inform your honor
that I have no intention of discussing the
question why applications for pensions or gratuity
on behalf of others who were equally transferred
from the Division Office were not submitted;
they might perhaps be unwilling to draw
pension or gratuity with an idea of getting a
post in the Department where there is service.

or should have a very short service in the
D.P.H. to claim for them for almost all of
the subordinates both office and executive, were
newly appointed when the Local Fund
Engineers Department was formed, and in
consequence of which, they never came under
pension rules.

Under the foregoing circumstances
I humbly beg your honor to deeply consider
any case by referring to the orders quoted
above and be pleased to forward an order
Service Register to the Examiner of P.H.
Accounts and get the gratuity to which
he is entitled.

For which kindness I shall ever be thankful
to your honor.

I beg to remain
Respectfully Sir
Your Most Obedt Servt.

Board's Proceedings No 1501 of 27 July 1881

After a full consideration of the whole
subject and having had the advantage of leaving
it to be done under other Local Governments
the Governor in Council resolves to rule that
Service under Local Fund Boards, constituted
under Madras Act II of 1871, shall not
entitle to pension from such funds. The Govern-
ment will, however, be prepared to consider
and then merits application from such Boards
for sanction to gratuities on retiring. In individ-
ual cases of long and good service, the decision
on such applications being ordinarily quoted by
the principles and limitation of the Financial
Codes relating to gratuities from State funds for

Resolution:—

2. The Board of Revenue observe that up to the present date the orders ruling the pension question have been the Government orders read again at head, and that these orders which grant pension to nearly all local fund employees have been embodied in paragraphs 164, 165 and 166 of Standing Order No. 97. The Board presume that under these circumstances the Government Order just received has no retrospective effect, and that local fund employees of the grade specified in the rules who have been entertained prior to the 20th May 1881 can claim pension as of right.

Referring to Revenue Board Proceedings, Misc.
Cellaneous No 438, dated 19th January 1882 I have the
honor to inform you that I had no intention of dis-
cussing the question of pensions. What I want to know
is whether Engineers, Accountants, Draughtsmen
&c. employed prior to the date of G.O. of the 20th May
1881 No 906, Financials, would come under the classes
of servants mentioned in Standing order No 97, paragraph
16, by which clerks, Peons, Messia and Attendants
are eligible to pension. It seemed to me naturally
to be a doubtful point, which compelled me to ask
the Board of Revenue, if the officers I named are
eligible to pension. If now Vaccinators and Inspecting
School Masters are eligible to pension, why not Engi-
neers, Accountants, Draughtsmen &c. who were
entertained at a time when there was nothing to say
that they are not entitled to it.
I request the Board of Revenue will be good
enough to enlighten me in the true interpretation of

for my information and guidance.
3 If we follow the exact meaning of words of
G.O. dated 6th October 1881. Accountants, Draughtsmen,

their order no 591 dated 11th April 1881. Financial &
Communicated with Board. Department, requiring
to assimilate the Engineer

these people do get pension. The two orders do not, in
my opinion, agree very well.
Resolution - dated 16th February 1882. No. 1147
Submitted for the orders of Government with
copy of Board's Proceedings quoted.
The Board understand the orders of Govern-
ment as restricting the grant of pension to Local
Fund employees strictly to the several classes enu-
merated in the rules. Consequently those mentioned
by the President - Engineers, Draughtsmen &c.
though entertained prior to the 20th May 1881, are not
entitled to claim pension.

Referring to Revenue Board's Proceedings No. 2663

Financial, dated 6th October 1881. I have the honor
to observe that, under the strict wording of the
Government Order, Local Fund Engineers,
Draughtsmen, Accountants &c., would not be
entitled to pension, because those that were
engaged under the old conditions are those
mentioned in Standing Order No. 97 paragraph 104.

I suppose, however, that the officers intended are eligible for pension, and therefore request that you will be good enough to draw the Board's attention to the point. I would suggest that the eligibility for pension should rest on the amount of salary of each man as in the case of Government service, and not on the designation which we may choose to give.

Resolution — dated 19 January 1882. Minute 138.
The Board resolved that the question of granting pension to Local Fund employees has been fully considered and finally settled by the Orders of Government quoted, and it is not open to further discussion.
