I beg to inform you that to the best of my knowledge and recollection, I have known Lascar Honary in service in the Kambu-Kal Channel since 1862. I was then an Overseer Lascar under Mr. J. Wakefield in charge of the Conjeeveram Tuling, and I used to see Honary on the channel whenever I happened to be out on circuit with the Overseer on inspection of works, till the latter part of the year 1863. Mr. Wakefield gave over the charge of the tuling to Mr. Dornaghi in addition to his Kambu-Kal Charge, then I was placed under Mr. Dornaghi's orders and had frequent opportunities of going out on the channel and I have seen Honary on every occasion on the works and since

I have carefully examined Hany
 son of Radaman, a Parsee in the D. P. W. His age is by his
 own statement 60 years, and by appearance about 65 years.
 I consider Hany to be completely and permanently in-
 capacitated for further service of any kind or in the
 department to which he belongs in consequence of general in-
 firmity. His incapacity does not appear to me to have been
 caused by irregular or intemperate habits.
