DOWLAISHVARAM,

SIR,

I have the honor to return your
rescript No. 3100 G. D. dated 27th March
1883 on Examiner's letter No. 554 S.E. 1st and
to submit the enclosed Last Pay Certifi-
cate of retired Messenger P. Narasimuloo
as therein called for.

2. I presume that the Examiner arrived
at the 30 months delay in the submission
of the pension application referred to in
his letter under reference by calculating
the same from the date of the medical
certificate. Regarding this I beg to inform
you as mentioned below.

3. In the statement of Officers and
subordinates who attained the age of
55 years on 31st December 1881, the Eastern
Delta Subdivisional Officer included
the name of the Messenger & submitted
the statement on 26th January 1882 with
his remarks to the effect that the Mes-
senger was only fit for light work &
that the medical certificate produced

Encls.

produced by him was forwarded two years ago. Up to date of receipt of the above-mentioned statement the fact that the messenger produced a medical certificate regarding his incapacity for further active duty was entirely lost sight of since the certificate produced by him was missing between this and Eastern Delta Sub-division offices. I regret to say that a period of 2 years did thus pass without anything being done towards this matter. The missing certificate was found after a long search of this Office record. On 27th October 1882 a preliminary application was submitted to the Examiner for verification of the messenger's services which having been returned by him on the 29th November 1882, a final application was submitted on 22 January 1883.
