* In the Public Works Department, periods of service should be verified by the Examiner, P. W. Accounts, Section 84, Rule 2. If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Head of the Office in which the Applicant states that he served during the period in doubt, Section 84, Rule 4; and if verification from this source also be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, e.g., official certificates, and the evidence of contemporary employees, Section 84, Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not. Section 84, Rule 6. The affidavit of the applicant and evidence of contemporary employees should contain information on the following points:—
(a) whether the applicant was in permanent employment of Government.
(b) whether there were any breaks in the continuity of his service and whether he was at any time absent on leave other than privilege; if so, the nature of such breaks and the duration of such leave of absence should, as far as possible, be specified.

 I consider Goojor Kaminah to be completely

 to me to have been caused by irregular
