Copy of letter from the Superintending Engineer 2nd Circle to the Examiner Public Works accounts Madras, No 1163 H. S dated 19th September 1882.

I have the honor to forward herewith an application for pension on behalf of Muthiala Venkataswamy, late a lascar 1st Grade, on the Conservancy Establishment of the Kistna Eastern Division employed on the Tammelair Aqueduct, and request you will be good enough to verify the same and submit it for the orders of Government.

The applicant was certified to by the Zillah Surgeon at Masulipatam on the 2nd February 1882 as to be fit for further service under Government only of a light nature, and was removed from the permanent Establishment from that date. But as on enquiry no light work could be found for him in the permanent Establishment, he was again sent to the Zillah Surgeon on the 2nd June 1882, when he was pronounced unfit for further duty. Consequently the present application for pension on his behalf is submitted.

The delay in the submission of the application is due to the time occupied in having the affidavit and statements of contemporary servants revised so as to contain all the information required.

I have the honor to return herewith the pension papers of Muttiala Venkatasawmy, late Delta lascar – 1st. grade. and to request that the same may be retransmitted to this office with information on the following points: –

(a) The circumstances under which the applicant's services were dispensed with on the afternoon of 2d. February 1882 – while he was pronounced permanently incapacitated for further service by the District Surgeon. Masulipatam. only on the 2d. January 1882.

(b) The date of the applicant's birth as given in the pension application and service book is 15th. June 1826 – while from the Medical Certificate, it would appear that he was born before that date.

2. As the applicant was pronounced unfit for further service while still under the age of 55. years – on account of general debility, the second Medical opinion prescribed by Note (2) to Section 104 – of the Civil Pension Code – should be obtained and forwarded.

3. From the Affidavit of C. Kondiah Naidu – received with the papers, it would appear that the applicant

The details of the applicant's services prior to 1868 do not appear to have been entered in his ~~service~~ Service book, the cause of this should be stated.

Copy of letter from the Superintending Engineer 2nd Circle to the Examiner Public Works Accounts No 1396 K.S dated 26th October 1882.

With reference to your letter No 348 S.E. 2nd of the 16th October last, returning for further information the pension papers of Muthiala Venkataswamy late Delta lascar 1st grade Kistna Eastern Division, I have the honor to reply as follows:

(A) Please see para 2 of this office No 1163 K.S. of 19th September 1882 forwarding the above pension application.

(B) Regarding the disparity in the dates of births of inferior servants of this class, it has several times been reported that they do not keep any registers of birth or horoscopes and consequently this point has not specially been noted in the case of the above application.

2. With reference to para 2, it is not known how you have come to the conclusion that the

applicant is under the age of 55 years, while the doctor's certificate clearly states that he is by his own statement, as well as by appearance, about 60 years old. Even calculating from the date of birth as given in the Service book viz, 15th June 1826, the applicant would seem to have passed his 56th year on the 15th June 1881.

3. The service prior to resignation has been classed as qualifying on the supposition that the applicant resigned his previous appointment to join as Overseer's lascar, to which post he was appointed. In the service book the Public Works Department service alone was entered, as it was opened on the 27th May 1881, the service in the Revenue Department probably not being then clearly known.

4. The enclosures received with the letter referred to above are herewith returned.

Your letter No. 58 C.O. December 4. 1882.

The house name of Venkataswami is not given in full. I am not sure whether "M Venkataswami" means Mutyala Venkataswami son of Krishnamma". A man of the latter description appears to have been employed in the Bunder Taluq as Revenue peon from November 1852 to end of January 1854 when his services were dispensed with under orders of the "Majistrate". The reason is not known as the order is not forthcoming in the records. Pay bills subsequent to January 1854 do not however show his name.

Pay bills prior to November 1852 are not forthcoming; records having been lost in the cyclone of 1864.

From November 1852 to January 1854 he enjoyed no leave nor had he any interruptions in his service.

The service, as verified above, counts towards pension provided that the peon's removal from office in 1864 was not of the nature referred to in Section 97 of the Civil Pension Code
