—:oo:—

Sevaramappa served in my office for about six months as Revenue Moonshi. I found him a goomasta on 18 Rs. a month, and that is still his permanent appointment but after a short time I determined to give him the temporary post of moonshi on 55 Rs. per mensem. I have since had no reason to repent the selection, I consider that he possesses abilities of no common order and which are much above mere cleverness or smartness. I have been struck with the strong common-sense views he is able to take of matters. He appears to be well furnished with the requisite knowledge of official Rules, Orders &c., and his memory naturally retentive has evidently been well exercised.

If he will continue to be quiet, well-behaved, and laborious I shall be much disappointed if he does not establish his right to rise in the public service.

I have since had no reason to repent the selection. I consider that he possesses abilities of no common order and which are much above mere cleverness or smartness. I have been struck with the strong common-sense views he is able to take of matters. He appears to be well furnished with the requisite knowledge of official Rules Orders &c. and his memory naturally retentive has evidently been well exercised. Read Proceedings of the Board of Revenue, dated 13th March 1882 No. 754, submitting for orders, with remarks, report of the Collector of Bellary on a charge of bribery brought against Y. Sivaramappa, Huzur Sheristadar.

2. Petition from Y. Sivaramappa, Huzur Sheristadar, Bellary, dated 18th March 1882 praying under the circumstances represented, that he may be permitted to rejoin his appointment and retire from service on the completion of his 55th year of age.

Order thereon 24th March 1882
No. 998 Mis.

Whatever the probabilities in favor of the truth of the charge against the Collector's Saristadar the

the fact remains that it has not
been substantiated to the extent
of establishing a criminal charge
to the satisfaction of the trying
Magistrate. At the same time as
an unexplained strong reason
for suspicion such as would
destroy trust in a servant in the
case of a private employer (as the
Collector puts it), the case stands

2. The Sarishtadar has however
already had to make good
several hundred Rupees lost
by carelessness in his Department
in Bhogappa's case and the
present proposal to make him take
leave without pay until October
when he could be transferred to
the Pension List without being
invalided would practically operate
as a further heavy fine.

3. The circumstances of the case
might warrant this course
yet as the Magistrate threw out
the charge the Govt. resolve to
authorize G. Sivaramappa's
~~appointment~~ employment
elsewhere

than at Bellary for the period
necessary to complete his 55 years
of age and then to retire on
pension. The Board of Revenue
will be requested to carry this into
effect.

2. In accordance with the direction
in para. 3 the Board resolve to transfer Sivaramappa to Anantapur in place
of D. Kristna Rao now acting as Huzur
Sheristadar of Bellary but recently confirmed as Sheristadar of Anantapur.
Although there are objections to permitting Sivaramappa to continue to
serve in a District which till recently formed a portion of the Bellary
Collectorate there is at present no
opportunity of providing for him
elsewhere without much disturbance of existing arrangements and
as he will complete ~~his~~ 55 years of
age on the 8th Novr. next the exchange
of appointments now ordered
appears the best arrangement
which can be made as a temporary
