Copy of letter from the Executive Engineer, Presidency Division to the Examiner of Public Works Accounts, Madras, through Superintending Engineer, 5th Circle, No. 740 dated 30th April 1883.

Referring to my No. $\frac{C}{24}$ dated 11th April 1883 relating to the Pension Papers of Theruvugada Mudaliarslate Maistry "Imperial Petty Establishment" I have the honor to submit again the following case regarding his services for favorable consideration.

It is apparent that this man was employed in different capacities (a) as Maistry, (b) Sub. Overseer 3rd class, (c) Taluk Maistry and (d) Bricklayer Maistry on Imperial Petty Establishment, especially in assisting the Draughtsman in the

Divisional Office at Madras.

Originally a pension application for Rs 6-10-8 per mensem was prepared as his services were treated as superior calculated from the service of 22-8-21, but was subsequently treated as inferior and the "pension" was altered into "gratuity" under instructions from the Examiner through the Superintending Engineer, 5th Circle.

The Applicant on hearing this has produced copies of Lf. O's noted below granting pension to the men of similar stamp and duties, with a view that his case also may be recommended for pension.

(a) Lf. O. No 255 dated 16th March 1882 - passing orders regarding C. Thondar Vamoorthy Mudaliar's service as Maistry.

(b) Lf. O. No. 686 dated 7th August 1882 - granting an invalid pension of Rs 6-10-8 to B. Punganayakoorloo, late

Maistry Imperial Petty Establishment
Mudali Godavari District.

(c) Lf. O. No: 332 dated 17th April 1883.

granting a compensation pension of Rs 5 per mensem to Raja Pillay, late Maistry Petty Establishment.

(d) Lf. O. No: 324 dated 15th April 1883.

granting an invalid pension of Rs 5-11-6 per mensem to A. Gurusami, late Petty Establishment Maistry.

Under these Lf. O's he seems entitled to Pension in lieu of gratuity.

As this man served in this Division long before I joined it; I propose to send him to explain himself in person, in case any more information is wanted - the above information is derived from Office records.

Right Honorable the Governor in Council is

The applicant retired was discharged on reductions in May 1879 but did not apply for pension till January 1882.

He now asks that his pension as maistri may be treated as superior & quotes two cases in which he treated similar service as superior.

These cases were however reviewed by Govt. (S.O. 7th Aug. 1882 no: 683. " 7th Aug. 1882 no 686. " 2nd Sep. 1882 no 809.)

and it was decided that in future to follow the orders of India that only maistries on pay above Rs: 25 were to be treated as superior (S.O. 27th Jan. 1882 no: 75).

The Examiner has many times pressed for reconsideration of the orders the applicant relies on, but Govt. refused to allow the Rs 25/- principle to have retrospective effect. The Govt. of India have however lately called for these orders probably with a view to bringing them in line with the orders of India.

in consideration of his qualifying service of many years, months and days.
