Read—also the following paper :—

From R. LOGAN, Esq., Officiating Under Secretary to the Government of India, Department of Finance and Commerce, to the Secretary to Government, Pension Department, dated Simla, 8th June 1883, No. 1297.

I am directed to acknowledge the receipt, with your letter, No. 315-A, dated 19th April 1883, of a memorial from T. Tirumalai Mudali, late Cashier, Paper Currency Department, Madras, appealing against the order of the Government of Madras granting a gratuity to him, and praying for permission to refund this gratuity and another received by him in 1864, with a view to his being rendered eligible for a pension of half average emoluments.

2. In reply, I am desired to observe that it appears that prior to his re-employment in September 1865 in the Range Office, Trichinopoly, Tirumalai Mudali had served Government for twelve years and one month, for which service a gratuity of Rs. 160 was granted to him by the Local Government. On re-employment, however, he failed, through ignorance of rules, to refund the gratuity. Had he done so, his total qualifying service would have amounted to twenty-five years, eleven months, and fifteen days, and he would have been eligible for a pension equal to half his average emoluments. It appears also that in 1874 and 1875, on becoming acquainted with the rule regarding the refund of gratuity, he offered to refund his gratuity, but that his offers were not accepted ; the result being that on his retirement, he is entitled only to a gratuity after a service of more than twenty-eight years during which his character and past conduct were good.

3. Under these circumstances, the Governor-General in Council is of opinion that the case involves some hardship, and I am to request that you will be good enough to move His Excellency the Governor of Madras in Council to grant Tirumalai Mudali the pension to which he might become entitled on his refunding his two gratuities, should there be no objection to such a course.

4. The original papers received with your letter are herewith returned.

Order—dated 28th June 1883, No. 544, Pension.

The Right Honorable the Governor in Council resolves to direct the Accountant-General to issue a Permanent Payable Order in the name of T. Tirumalai Mudali for a monthly pension of Rs. 37-8-0 with effect from the 15th July 1879.

2. The Accountant-General in disbursing the arrears of pension will adjust the gratuities of Rs. 160 and Rs. 900 granted in G.Os., dated 29th February 1864, No. 85, and 16th February 1880, No. 111, respectively.

May 11th 1903

My dear Awdry -

would you obtain from your office, and show to Mr Grant Duff, a letter from the Madras Govt to the Govt. of India in the Financial Dept. No. 315-A. Pension - of April 19th 1903?

The petitioner - one T. Tirumalai Mudali, makes two alternative requests. viz. -

i) that he may be allowed to refund the gratuity of Rs. 1,060 2e =

-ceived by him with interest for the two periods of his service and he then admitted to a pension of Rs 37-8-0 a month, equal to half his average emoluments, his whole service of 25 years, 11 months, & 15 days counting toward pension; or 2) that he may be granted such pension as will be deemed proper, for the second period of his service, the gratuity of Rs 900, which he received for this service, being recovered from him.

The second alternative is quite inadmissible, as the second period of service amounts only to 13 years, ten months, & 15 days, for which he is only entitled to the gratuity granted to him & not to any pension.

But it seems to me rather hard not to allow him to adopt the first alternative. But I hesitate much in a matter of this sort to go against the recommendation of the Madras Govt. Perhaps you would kindly ask Mr Grant Duff to look at the case and then let me know what he thinks? In the meantime I will keep the papers till I get your answer.

Very truly yours

E Baring

I am directed by Mr Grant Duff to ~~write~~ say that he thinks it would be a very proper & liberal treatment of the Petr. to allow him the first alternative he suggests viz × × × ×

Petition [illegible] 13 19/5

Sent 19/5

The case is this:—

The man was first employed in the year 1851 and, when thrown out of employ in 1863, received the gratuity due to him namely 160 Rupees—

In 1865 he was re employed in the service of Government and, in order to enable him to count his past services towards pension, was bound to refund the gratuity immediately on such re-employment— This however he did not do & consequently when he was superannuated in 1879 he could only count some 13 yrs as pensionable service & for this he received 900 R' which was all he could claim—

His case has been dealt with throughout in strict accordance with rule but the following point may be submitted for favorable consideration

— If the man had known that there was a rule which required the immediate refund of a gratuity on re-employment — under penalty of losing all past pensionable service — he would surely have done, what it was obviously his interest to do without the loss of a day, namely have refunded the 160R.

He was however at that time quite a young man on a pittance of 12 Rupees a month & serving in some subordinate position in the office of an Engineer in the Mufassal and it therefore seems by no means improbable that the ignorance of rules which he now pleads, is a true representation of the case & this view ~~seems~~ is the more probable since it appears that when he was afterwards employed in the Acct Department, where he would be likely to hear of such rules, he did attempt to make the refund of the gratuity

Should His Excellency the Governor see fit to pension the man the is no rule or order to pre it. Nor is there any reason to fear that indulgence shewn i this somewhat hard case is likely to be the cause of bad law in the future. E. F. W.

OFFICIAL MEMORANDUM.

With reference to the letter noted above

The Memorialist was in 1880 granted the gratuity of Rs: 900 certified to be due by the Account authorities.

G.O. 16th Feby 1880 no: 111

Had he refunded a gratuity of Rs: 160 granted for his earlier service in 1864 when he was re-entertained in 1865 a pension of Rs: 37/8 instead of a gratuity of Rs: 900 would have been due but the earlier gratuity had remained unrefunded for upwards of 13 years.

G.O. 29th Feby 1864 no: 85.

The rule is that the intention to refund the earlier gratuity must be stated immediately on re-employment & in 1869 all officers re-employed were warned of the penalty attaching to the neglect to refund. It is most highly

Sec: 176 Civil Pension Code with note

improbable that the memorialist who has served since 1867 in a branch of the Accountant General's Office was unaware of the rule or of the penalty attaching to non-compliance & hence, it was probably that the Accountants General Messrs. Cooke, Lodwick & Tupp paid no attention to his representations.

This Govt. has always leaned towards lenient interpretations of the Pension rules & the present case is not such a reversal of the usual position as might appear. To get a pension of Rs: 37/8 the memorialist must refund

Gratuity of 1864	Rs: 160.
Interest at 5 p.c	Rs: 152.
Gratuity of 1880	Rs: 900.
Interest at 5 p.c	Rs: 138
	Rs: 1350

and if he gets pension from date of retirement he will get Rs: 1713 arrears. He will therefore get net Rs: 360 and the pension in future & he is 63 years of age.

The Govt. of 1883 could not well review an order of 1880 which enforced the plain letter of the Code & which they had previously several times refused to re-open.* There is however no objection to the adoption of the Hon: Major Baring's proposal. The Govt. which makes the rules can best relax them. [illegible] 21/5/83.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. Good

2. Explanation of any suspension or degradation. Under suspension from 12th January to 29th February 1876 pending the result of an enquiry into the loss of certain Currency notes. All suspicion having been completely removed from him he was restored to his duties, and received full pay for the period under suspension

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. Received a gratuity of Rupees 160 sanctioned in G.O. No. 85 dated 29th February 1864 Pension Department. The amount was not refunded on reemployment.

4. Explanation under Section 59, Rule 1, so far as the Head of the Office can give it. Inapplicable

5. Any other remarks. Unfit owing to old age and infirmity. Medical certificate (marked H) required under rule 5 Section 105 of the civil Pension Code from the Surgeon of the 2nd District countersigned by the Surgeon General Indian Medical Department herewith attached. The delay of more than three months in submitting this application was caused by correspondence with the examiner of Public Works accounts in verifying the applicant's former services which owing to the absence of records in the P. W. Department had finally to be ascertained from an affidavit made by him.

6. Specific opinion of Head of Office whether the service claimed is established and should be admitted or not. (See Rule 6 under Section 84.) The claim seems to be fully established the applicant having produced the original orders appointing him on 1st September 1865, as well as a letter in which his resignation of his appointment on 28th February 1867 for the purpose of taking up another appointment in the Currency Department is accepted. During this period no leave of any kind other than the Privilege leave adverted to was taken by him.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

No. A.D.J / 586.

Certified that if Government be pleased to accept the applicant's Service rendered in the Public Works Department from 1st September 1865 to 28th February 1867 on the Strength of the affidavit furnished, his qualifying subsequent Service in Superior grades will amount to 13 years, 10 months, and 14 days, and that a Superannuation gratuity not exceeding Rs 900-0-0 equal to 12 months pay will under the circumstances detailed below be admissible under Sections 65, 68 (a) and rule 9 at the end of chapter XX of the civil Pension Code 4th Edition.

It will be seen from the History of Service that the applicant prior to his reemployment in Septr./65 in the Range of [illegible] Trichinopoly had served in the Department Public Works for a period of 12 years and one month for which a gratuity of Rupees 160-0-0 was sanctioned in G.O. No. 85 dated the 29th February /64. Had he on reemployment refunded the gratuity he would have been entitled to a Superannuation pension of Rs 37-8-0 per mensem. Since however the gratuity was not refunded the applicant is entitled for his Subsequent Service only to a Superannuation gratuity of Rs 900-0-0 as recommended in the above Para the amount being Subject to no deduction since such gratuity added to the gratuity drawn for the earlier Service does not exceed the present value of the Pension that would have been admissible had the gratuity drawn for the earlier Service been refunded.

It will be seen further from the letter of the Acting Surgeon 2nd District No. 193 dated the 8th Ultimo herewith transmitted that the applicant has all the normal prospect of life. The gratuity if Sanctioned need not therefore commuted into Pension as refunded by rule 5 under Section 105 of the Civil Pension code.

The delay in the Submission of this application is explained by the Commissioner of Paper currency in his remarks opposite to No. 5 on the 3rd page of the application

In accordance with rule 3 A, under Section 87 the attention of Government is respectfully Solicited to Section 22 of the above code.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. Good.

2. Explanation of any suspension or degradation. Under suspension from 12th January to 29th February 1876 pending the result of an enquiry into the loss of certain Currency notes. All suspicion having been completely removed from him, he was restored to his duties, and received full pay for the period under suspension.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. Received a gratuity of Rupees 160, sanctioned in G.O. No. 85 dated 29th February 1864 in Pension Department. The amount was not refunded on reemployment.

4. Explanation under Section ~~17~~ 59, Rule 1, so far as the Head of the Office can give it. Inapplicable.

5. Any other remarks. Unfit, owing to old age and infirmity. Medical Certificate (Marked H) required under rule 5, section 105 of the Civil Pension Code from the Surgeon of the 2nd District, countersigned by the Surgeon General, Indian Medical Department, is herewith attached. The delay of more than three months in submitting this application was caused by correspondence with the Examiner of Public Works Accounts in verifying the applicant's former services, which owing to the absence of records in the P.W. Department, had finally to be ascertained from an affidavit made by him.

6. Specific opinion of Head of Office whether the service claimed is established & should be admitted or not. (See Rule VI under Section 84.) The claim seems to be fully established, the applicant having produced the original orders appointing him on 1st September 1865, as well as a letter in which his resignation of this appointment on 28th February 1867 for the purpose of taking up another appointment in the Currency Department is accepted. During this term, no leave of any kind other than the Privilege Leave adverted to was taken by him.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

Certified that if Government be pleased to accept the applicant's service rendered in the Public Works Department from 1st September 1865 to 28th February 1867 on the strength of the affidavit furnished, his qualifying subsequent service in Superior Grades will amount to 13 years 10 months, and 14 days; and that a Superannuation Gratuity not exceeding Rs. 900 - - equal to 12 months Pay will under the circumstances detailed below, be admissible under Sections 65, 68 (a) and rule 9 at the end of Chapter XX of the Civil Pension Code 4th Edition.

It will be seen from the History of service that the applicant prior to his re-employment in Sept./65 in the Range Office Trichinopoly, had served in the Dept. Public Works for a Period of 12 years and 1 month, for which a Gratuity of Rs. 160 - - was sanctioned in G.O. No. 85 dated the 29th February /64. Had he, on re-employment, refunded the Gratuity, he would have been entitled to a Superannuation Pension of Rs. 37 - 8 - per mensem, since however, the gratuity was not refunded the applicant is entitled for his subsequent service only to a Superannuation Gratuity of Rs. 900 - - as recommended in the above para, the amount being subject to no deduction since such Gratuity added to the gratuity drawn for the earlier service, does not exceed the present value of the Pension, that would have been admissible, had the gratuity drawn for the earlier service, been refunded.

It will be seen further from the letter of the Acting Surgeon 2nd District No. 193 dated the 8th Ultimo, herewith transmitted, that the applicant has all the normal prospect of life. The Gratuity, if sanctioned, need not therefore be commuted into Pension as required by rule 5 under Section 105 of the Civil Pension Code.

The delay in the submission of this application is explained by the Commissioner of Paper Currency in his remarks opposite to No. 5 on the 3rd Page of the application.

In accordance with rule 3 A under Section 87, the attention of Government is respectfully solicited to Section 72 of the above code.

To

The Secretary to the
Government of Fort St. George.

Simla the 8 June 1883.

Sir,

I am directed to acknowledge the receipt, with your letter No 315 A, dated 19th April 1883, of a Memorial from T. Tirumalai Mudali, late Cashier, Paper Currency Department, Madras, appealing against the order of the Government of Madras granting a gratuity to him, and praying for permission to refund this gratuity and another received by him in 1864, with a view to his being rendered eligible for a pension of Half Average Emoluments.—

2 In reply, I am desired to observe that it appears that prior to his re-employment in September 1865, in the Range Office in Trichinopoly, Tirumalai Mudali had served Govern=ment

Government for 12 years and 1 Month, for which service a gratuity of Rs 160/- was granted to him by the Local Government. On re-employment, however, he failed, through ignorance of Rules, to refund the gratuity. Had he done so, his total qualifying service would have amounted to 25 years, 11 Months and 15 days, and he would have been eligible for a pension equal to Half his Average Emoluments. It appears also, that in 1874 and 1875, on becoming acquainted with the rule regarding the refund of gratuity, he offered to refund his gratuity, but that his offers were not accepted; the result being that on his retirement, he is entitled only to a gratuity after a service of more than 28 years during which his Character and past conduct were good.

3. Under these circumstances the Governor General in Council is of opinion that the case involves ~~great~~ some hardship, and I am to request that you will be good enough to move His Excellency the Governor of

Madras

Madras in Council, to grant to Tirumalai Mudali the pension to which he might become entitled on his refunding his two gratuities, should there be no objection to such a course.

4. The original papers received with your letter are herewith returned. —

I have the honour to be,
Sir,
Your most obedient servant,

R. Logan.
