READ—the following papers:—

From the Collector of Salem, dated 22nd February 1883.

ABSTRACT.—Submitting application for pension on behalf of Salem Theroomaliah, late English Accountant, Collector's Office, Salem.

Certificate and report from the Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 8th June 1883, No. A.D.J.-68.

Certified that, should Government be pleased to regard the applicant's employments as acting Military Accountant from 1st to 14th and from 20th to 30th June 1870, and as acting Local Fund Accountant from 1st June 1878 to 15th March 1879, as transfers to non-pensionable appointments reconcilable under Exception (e), Section 96 of the Civil Pension Code, qualifying service in superior grades will be duly proved for twenty-four years seven months and two days, and that a superannuation pension not exceeding Rs. 8-7-4 per mensem, equal to one-third average emoluments, will be admissible under Sections 106, 109 (b), and 111 of the abovementioned Code.

2. The proposal of the Collector to grant to the applicant a pension equal to half average emoluments instead of one-third only is due to a misconception of the fact that the applicant's service rendered in the appointments of Military Accountant and Local Fund Accountant is non-pensionable. On inquiry, the Collector states that the applicant entered the Local Fund service prior to 20th May 1881. This explanation does not seem to be satisfactory. Ordinarily, an officer in Government service on transfer to Local Fund service should contribute to Government on account of pension and leave allowance in order that he may at the time of retirement from service claim his pension from Government. In the present case this has not been done. Hence the service paid from the Local Fund Board has been rejected as non-qualifying.

3. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

ORDER—dated 29th June 1883, No. 546, Pension.

The Collector of Salem will be directed to reinstate the applicant for the five months necessary to complete his service for a superannuation pension equal to half his average emoluments.

ACCOUNTANT-GENERAL

TO THE GOVERNMENT OF MADRAS,

To

THE

Collector of Salem.

Sir,

With reference to your application for pension on behalf of Salem Thirama, a late English Accountant of your office. I have the honor to enquire whether the applicant transfer to the appointment of Military Accountant which he held from 1 to 14 June 1870 and from 20 to 30 June 1870 was made by competent authority and if so to request that a copy of such authority may be furnished. If the transfer was not made by a competent authority the applicant's employment as Military Accountant, the service rendered as such does not count for pension, will have to be viewed as an interruption entailing forfeiture of past service. See case (Section 96 of the Civil Pension Law).

2 Explanation should be furnished as to whether the applicant was transferred to Local Land Service in the manner laid down in Chapter III

III of the first Pension Pass. if so, please forward a copy of the order of Government, if any transferring him to Local Fund Board for employment as Local Fund Accountant from 1 June 1878 to 15 March 1879, and state the amount of contribution he has paid during this period.

3 From the entry in the Service Book, the Applicant, while employed as Acting Vernacular Accountant on pay of Rs 30... a month would appear to have retained his and cannot Service for pension in his permanent appointment as English Accountant on pay of Rs 25... a month. Please state if this is the case. If so, the Applicant cannot count his acting allowance towards the calculation of his average emoluments for pension.

4 For facilitate reference, the application and the Service Book are herewith returned.

5 In conclusion, I would point out that, if the Applicant's service as ^{and as of Accountant} Military Accountant, he reports as non qualifying, his total period of pensionable service will amount to less than 25 years, entitling him to a pension equal to 1/5 of his average emoluments only.

I have the honor to be
Yours obedt servant.

2. Salem Tirumalagaya's transfer to the appointment of Military accountant in June 1870 was apparently made by the Collector, but the order is not forthcoming. The applicant's transfer to the Military Department should not, I opine, be viewed as an interruption entailing forfeiture of past service as from the order quoted in the margin it appears that the transfers from the Regular Establishment to the Military Branch and vice versa were made under a misapprehension of Government Order on the subject.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that should Government be pleased to require the applicant's employment as acting Military Accountant from 1st B 14 and from 20th B 30 June 70 and as Acting Local Fund Accountant from 1st June 78 to 15th March 79 as transfers to non-permanent appointments are available under exception (c) Section 90 of the Civil Pension Code, qualifying service in Superior Grades will be duly proved for 24 years 7 months and 2 days; and that a superannuation pension not exceeding a paper 8-7-4 per annum equal to 75 average emoluments will be admissible under Section 106, 109 (b) and 111 of the above mentioned Code.

The proposal of the collector to grant to the applicant a pension equal to 75 average emoluments instead of 70 only is due to a misapprehension of the fact that the applicant's service is pensionable. On inquiry, the collector states that the applicant entered the Local Fund service prior to 20th May 1881. His explanation does not show to his satisfaction that he was an Officer in Government service on transfer to Local Fund service, should contribute to Government in account of pension and I was allowed in order that he may at the time of retirement from service, claim his pension from Government. In the present case this has not been done. Hence the service paid from the Local Fund Board has been rejected as non-qualifying.

In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.
