30TH JUNE 1883, MIS. NO. 566, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following paper:—

From C. A. GALTON, Esq., Acting Collector of Malabar, to the Chief Secretary to Government, dated Calicut, 8th June 1883, No. 2167.

In returning the petition of Surya Narayana Aiyar, late revenue inspector of Kurumbranád taluk, forwarded for report with G.O., dated 31st May 1883, No. 486, I have the honor to state that I find the petitioner was, after personal inspection by the Sub-Collector, reported to be quite fit to work for another year. He appears to have been removed by Mr. Logan under the fifty-five years order; but as he has been pronounced fit for further service, and his removal was therefore contrary to the provisions of Section 106, Rule 1, of the Civil Pension Code, I propose, with the permission of Government, to order his reinstatement. The petitioner only wants about ten months more to complete his service for half pension.

ORDER—dated 30th June 1883, Mis. No. 566, Pension.

The petitioner will accordingly be reinstated as the Collector proposes.

11th May 1883

To,

The Right Honourable The Governor of
Madras.

The humble petition of Sooria Narayana Iyer, late
2^d Revenue Inspector Kurumbanad Talug Naduvannur, Malabar

Most Respectfully sheweth:-

1. That the petitioner was by an order of the collector directed
to relieve on pension from the 1st instant.

2. That he is now 57 years old and is still physically able
to manage his work thoroughly; and that he has not left any
kind of arrears of his work up to the last month.

3. That while employed in the Talug he did his duty to the
satisfaction of his superiors and further assisted the Survey Department
in many ways without receiving any remuneration. In support
of this he begs to enclose herewith the copies of several testimonials
he has received from the officers under whom he has served.

4. That he has a service of about 24 years under Govern-
ment at present and that he requires only a period of one year
and odd to entitle him to a half pension. The petitioner therefore
humbly begs he may be granted a full pension in consideration
of his past services in the Survey Department or that he may
be retained in the Department until he can claim half of his
pay as pension.

5. That the petitioner had applied to the collector of Malabar
to the same effect twice and that he was so unfortunate as not to
get any reply.

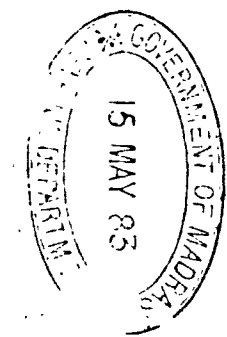

6. Under these circumstances the petitioner most humbly begs
your Excellency to be gracious enough to take his case into a favourable
consideration.

For which act of kindness and charity the petitioner is
in duty bound
