READ—the following paper:—

Proceedings of the Government of India, Department of Finance and Commerce, dated Simla, 28th May 1883, No. 1135.

Read—the following despatch from the Most Hon. the EARL OF KIMBERLEY, Her Majesty's Secretary of State for India, to His Excellency the Most Honorable the Governor-General of India in Council, dated India Office, London, 26th April 1883, No. 127 (Financial):—

I have considered in Council your letter, dated the 27th of February, No. 57, requesting permission to lay down a rule that subordinates in Government employ passing through a course of instruction in the Normal and Agricultural Schools at Madras shall count the time so spent as service towards pension.

2. You state that it is deemed expedient that Revenue subordinates in Madras should receive instruction at the Agricultural Schools and that their pay is reduced during the time of their attendance at the school, and you represent that, while an officer who passes through such a course of study will doubtless derive considerable personal advantages in after-life, yet officers on such small pay can scarcely afford to incur loss of service, in addition to loss of emoluments, for remote and uncertain future benefits.

3. Your proposal is sanctioned.

Order—

Ordered that copies of the foregoing despatch be forwarded to the Revenue and Agricultural Department with reference to endorsement in the Department of Finance and Commerce, No. 1000, dated 27th February 1883, and to the Accountant-General, Madras, for information.

Copy forwarded to the Government of Madras for information, in continuation of the letter from the Finance and Commerce Department, No. 1001, dated 28th February last.
