Total Service as Superintendent 53.777.

The Applicant's Service was dispensed with on the afternoon of the 31st of March 1883 owing to reduction of Establishment of the Government.

The reason of the Applicant's degrading from Rs. 256-20 & 20 to Rs. 236-20 & 20 is that he was appointed on 1st January 1870 at Rs. 256-20 & 20 and on 1st April 1870 at Rs. 236-20 & 20. The delay in the degrading is due to the fact that the Government applications are not explained by the Superintendent. The delay is 5th March in his letter of 15th May 1882 (Copy enclosed).

The following papers accompanying the gratuity application

- 1. Service book
- 1. Copy of the Order letter of 15th May 1883 received from the Deputy

14 Please state why the 2 periods
viz 1st to 28 February/74 and 1st
January/75 to 28 February/75 were
shown as qualifying while the
applicant was employed on
the Temporary Establishment.

(d) The applicant should be asked whether he is willing to commit the whole of his services as inferior towards pensions on the inferior scale, or the superior portion only towards pensions on the Superior scale. (Vide Section 118 Civil Pensions Code.)

(c) To Government in the Pension Department has lately in several instances animadverted severely upon the delay which has occurred in this Dept. in disposing of applications for pensions, and it is necessary in such cases therefore to come to an understanding as to ~~who~~ if any one is to blame. I request therefore that in the present case you will inquire and let me know who is responsible for the delay of more than 2 years in the submission of the gratuity application of the Maistry in question.

4. The two periods 1st to 28th February and 1st January 75 to 28th February 1877 are reckoned as qualifying under section 71 of the Pension Code; the applicant having been transferred to the Temporary Establishment, with the understanding that he was to be retransferred to the permanent Establishment, when funds admitted.

5. The gratuity has now been applied for the superior portion of the applicant's service only, with reference to Section

Section 118 of the Pension Code.

As regards the delay the Engineer explains, that at the time of the applicant's retirement in March 1880, service in the Petty Establishment was held to be temporary, and not pensionable under G.O. No. 1786 W of 28 November 1877. Hence the applicant's services were not recognized before his retirement, as required by the Rules. Several of the items in the Service Book had to be verified from the old records, and the causes of terminations of appointments had to be ascertained for, according as funds ran short there were repeated transfers to the temporary establishment.
