GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Acting Collector of South Canara, dated 27th March 1883.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 21st May 1883, No. A.D.J.-63.

Certified that qualifying combined service in inferior grades rendered under Government and under the Mangalore Municipality has been proved for nineteen years, eight months, and twenty-one days. The applicant was transferred from service under Government to service under Municipality in 1871, when, it is believed, the management of all Mofussil Dispensaries was transferred to the several Municipalities concerned. Ordinarily service under a Municipality does not count for pension, unless the usual percentage for pension is paid. Had the applicant on transfer from pensionable Government service to non-pensionable Municipal service elected to retire, he would have been entitled for that service to a compensation gratuity. His acceptance of a transfer to Municipal service does not, in the opinion of this office, preclude him from claiming that gratuity at the present date. From the papers furnished it would appear that the Municipality has agreed to regard as pensionable the portion of the applicant's service rendered since December 1871, and to pay for such service from Municipal Funds a gratuity equal to the amount "which he would have received" for the same service under Government.

2. The applicant's entire service, extending over a period of nineteen years, eight months, and twenty-one days, may be taken into account, and he be granted an invalid gratuity not exceeding Rs. 30, equal to five months' pay, under Sections 103, 117 (a), and the spirit of Rule 2, Section 83, of the Civil Pension Code, the gratuity being debitable to "General Revenues" and "Municipal Fund" according to the rule of proportions as was done in the case of P. Rungaswami, disposed of in G.O., No. 1109, dated 15th November 1882. In the event of this recommendation being accepted, the Mangalore Municipality will need to be instructed to amend the 10th paragraph of the Resolution of their Proceedings of the 27th January 1883.

3. The delay in the submission of the application is explained by the Collector in his remarks opposite to No. 5 in the third page of the application.

4. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

ORDER—dated 17th July 1883, No. 631, Pension.

Under Sections 103 and 117 (a) of the Civil Pension Code, 5th Edition, the Right Honorable the Governor in Council is pleased to grant to J. Mascarenhas, late Peon in the Municipal Dispensary at Mangalore, an invalid gratuity of Rs. (30) thirty,

equal to five months' pay, payable at Mangalore, in consideration of his qualifying inferior service of nineteen years, eight months, and twenty-one days.

2. This gratuity will be debited to General Revenues and the Municipal Fund according to the rule of proportions.

Sir,

Referring to your letter of the 19th
ultimo, No 551, I have the honor to inform
you that as the Don Juan Mascarenhas
therein alluded to is found to be unfit,
for further service owing to his age and
feebleness there is no other alternative
but to relieve him of his duties and
appoint a new man in his place. He
appears to be on the Municipal Establish-
ment and as President I shall be glad
to appoint in his place any man you
may recommend. I forward herewith a
petition from Juan Mascarenhas praying
that the post may be given to one of his
relatives.

2 As soon as the old Don is relieved
be so good as to send him over to me together
with a medical Certificate (in the prescribed
form) to enable me to submit on his behalf
an application for such gratuity as he
may be entitled to for his service prior
to the transfer of the Dispensary to

the Municipality which falls short of 10 years. Any claim which the Deon may wish to advance for a gratuity for his subsequent service under the Municipality which amounts to about 10 years, should be preferred direct to the Municipal Commissioners for their consideration.

Certified that qualifying combined service in Superior Grades rendered under Government and under the Mangalore Municipality has been proved for 19 years 8 months and 21 days. The applicant was transferred from service under Government to service under Municipality in 1871, when it is believed, the management of all Municipal Dispenaries was transferred to the Local Municipalities concerned. Ordinarily service under a Municipality does not count for pension unless the usual percentage for pension is paid. And the applicant on transfer from Government service to service under Municipality (as a civil service), elected to retire, he would have been entitled for that service to a pension on the basis of the percentage of service rendered. The acceptance of a transfer to Municipal service does not in the opinion of this office preclude him from claiming that gratuity at the present date. From the papers furnished it would appear that the Municipality has agreed to award as pensionable the portion of the applicant's service rendered as a civil service, and to pay for such service from Municipal Funds a gratuity equal to the amount awarded for service rendered for the same service under Government.

The applicant's entire service extending over a period of 19 years 8 months and 21 days may be taken into account and he is granted an Invalid's Gratuity and exceeding Rs 30 a equal to 8 months pay, under Section 103, 117(a) and the spirit of Rule 2 Section 83 of the Civil Service Code, the gratuity being payable to General Messias and Municipal Fund according to the Rules of the proportions as was done in the case of General Messias disposed of on C.P. by dated 18 November 1882. In the case of this account, a resolution being accepted, the Mangalore Municipality will need to be instructed to award the 10 years of the resolution of the 29 January 1883.

The delay in the submission of this application is explained by the Collector in his remarks opposite to No. 5 in the 3rd page of this application.

In accordance with Rule 4 under Section 130 the attention of Government is respectfully submitted to Section 135 of the Code.
