

20TH JULY 1883, No. 634, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From Colonel H. D. CLOETE, Inspector-General of Police, to the Secretary to Government, Pension Department, dated Madras, 11th June 1883, No. 2989.

I have the honor to submit, for the orders of Government, an application for the grant of a pension to Burlah Atchanah, late a First-class Constable, No. 938, of the Ganjam District.

2. He has served in the Police Department for twenty-one years seven months and eight days, and has borne a good character. He is now unfit for further effective service of any kind, as certified by the Medical Committee held at Berhampore on the 16th April 1883.

3. He is entitled to an invalid monthly pension of Rs. (3-4-0) three and Annas four only, payable at Itchapore, Ganjam District, from the date of receipt of Government Order according to proviso to Section 3 of the Police Superannuation Fund Rules and Sections 102 and 143 of the Civil Pension Code.

4. With reference to the remark in the medical certificate the Superintendent of Police states that he is of opinion that the Constable is too weak to perform his ordinary duties, and that no work of a less laborious character than that in which he is now engaged can be found for him.

Certificate and report from the Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 4th July 1883, No. A.D.J.-122.

Certified that qualifying service in superior grades has been duly proved for twenty-one years seven months and eight days, and that an invalid pension not exceeding Rs. 3-4-0 per mensem, equal to one-third average emoluments, *plus* 10 per cent., is admissible under the Police Superannuation Fund Rules.

The calculations have been duly verified.

It is observed that the medical certificate produced in support of the application shows that the applicant is not completely and permanently incapacitated, but only partially incapacitated for further service. In such a case note 3, Section 104, prescribes that in granting a pension, "the principle of Rule 1 under Section 100 must always be carefully borne in mind." In accordance with this note it is explained in the Inspector-General's letter that a work of a less laborious character than that in which the applicant was engaged cannot be found.

In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

ORDER—dated 20th July 1883, No. 634, Pension.

Under Sections 102 and 143 of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Burlah Atchanah, late First-class Constable, No. 938, of the Ganjam Police Force, an invalid pension of Rs. (3-4-0)

three and Annas four per mensem, payable at Itchapore from the date of receipt of this order, in consideration of his qualifying superior service of twenty-one years seven months and eight days.

Certified that we have carefully examined Barla Petchanah, son of Barla Petchanah, a 1st Class Constable N^o 988 in the Guyana Police Department.

His age is by his own statement 48 years, and, by appearance, about 46 years. We cannot discover that he has any specific disease, but find that he is greatly worn with flabby muscles and unfit for the ordinary duties of a Police Constable, but, we are unable to certify that he is completely and permanently incapacitated for any further service and consider that he is fit for further service of a less laborious character than that which he has been doing."

This Certificate is in accordance with instructions laid down in the Form of Med. Certificate sent from the Office of the Supt. of Police.
