Honorable Gentlemen

Appellant begs to bring to the notice of the Honorable President and members of the Government, the following facts:

I That Appellant is a permanent Groomer
in the Palamauan Salue in North West
and having completed his 60th year by end of
June 1883 was directed by the Collector of
North West to retire from the 1st July 1883.

II That Appellant being in sound state of
health to continue in office for 5 years more.

represented this matter to the Tahildar of Palace anwar who recommended Appellant to the Collector for an extension to continue in office for 5 years but the recommendation was utterly refused and appellant was compelled to retire from service.

III That thereupon Appellant represented his state of circumstances to the Board of Revenue and the Honorable Government (on dates 30th May and 26th June 1883).

IV That the Collector of North Arcot submitted the Appellant's petition to the Revenue Board who in their Proceedings No 5099 dated 19th June 83 directed Appellant to retire from 1st July 1883.

V That in the Board Proceedings quoted above the following points are observed.

I That Appellant is an unpassed Candidate

II That Appellant's previous Conduct is not Satisfactory.

III That many vacant posts are available for the Government place held by the Appellant.

IV Appellant begs to submit the following statement for the consideration of the Honorable President and Members of Government in connection with the several points observed in the Board's Proceedings alluded to above.

A. To the first point

Appellant begs to state that throughout the District there are similar officials as appellant himself - unpassed as they are and completed their 55 years in respect of whom no orders, similar to that issued in the case of Appellant has been issued.

B. To the second point

Appellant begs the Honorable President and Members of Government to refer to their Proceedings No 2094 dated 12th August 81 which will show what sort of Conduct appellant's previous one, was.

C. To the third point.

Appellant admits that passed Lads are available for the Goom as Lahi place held by him but begs to submit that ^{the} said Lads will, for want of experience, not be useful for immediate service, as appellant himself, who is a long experienced official. Appellant further begs to submit that by compelling him to retire prematurely - i.e. at a time, while he is really able enough to continue in service for some time more, Government has to incur an unnecessary loss, which was not the object of Government in passing Government order Revenue Department No 31 dated 3rd September 1877, vide foot note to section 106th the Civil

pension Code, which rests in Government a discretionary power to retain in service such officials as have completed their 50 years, should they be able enough to work up to their 60th year. This Concession Appellant begs to submit, has been granted to many old officials in the District, who are permitted to continue in service under the benefit of it.

VII Appellant begs to state that he is a man of big family and has to suffer much for protecting it by suddenly compelling him to retire from service. He further begs to state that he is in a sound state of health to continue in service for a long time, which, the Honorable President and Members of Government will observe by seeing the appellant in person, and therefore most humbly craves the mercy of the Honorable President and Members of Government to consider his case, and grant him an extension to continue in service for such time as the Honorable President and Members of Government think fit, and protect him and his big family thereby.

For this act of Charity appellant shall feel highly obliged.

— Begging to be excused for his intrusion.
