A Rejected on the ground of this period of Service being rendered in appointment on Inferior Grade. The rejection is based upon the fact that the appointment is not included in the exception (g) under Section 141 of the Civil Pension Code.

On questioning the propriety of the admission of the Service towards pension on the Superior Scale, the Inspector General of Police has forwarded a letter from the Commissioner of Police No. 164 dated 17th May/83, in which it is stated that before the re-organization of the present Police Constabulary of Madras Town in 1867, the members of the Old Police were styled Peons Conicopillays, Talians, Naigues &c and performed Police Service under such designations and that they had contributed to the Police Superannuation Fund from December/56. With reference to this explanation it rests with Govt. to decide whether the Service in question should be admitted for pension on the Superior or Inferior Scale. The rejection or admission of the period of Service will not in this case affect the amount of pension which the applicant will otherwise be entitled to. But it will form a precedent for future guidance.

B. Verified from the records of the Office of the Commr. of Police. The verification of the Service from 1866 has been confirmed by reference partly to the Audit Register & partly to the Annual returns on record in this office.

Remarks by Accountant-General.

A Rejected on the ground of this period of service being rendered in appoint-
ment on Inferior Grade. The rejection is based upon the fact that the appoint-
ment is not included in the exception (g) under Section 141 of the Civil Pension Code.

On questioning the propriety of the admission of the service towards pen-
-sion in the Superior Scale, the Inspector General of Police has forwarded a
letter from the Commissioner of Police No 164 dated 17 May/83, in which it is
stated "that before the re-organization of the present Police Constabulary
of Madras Town in 1867, the members of the Old Police were styled Peons, Conico-
-pillays, Taliars, Naigues &c and performed Police Service under such desig-
-nations and that they had contributed to the Police Superannuation Fund
from December/56." With reference to this explanation it rests with Govt
to decide whether the service in question should be admitted for pension on
the Superior or Inferior Scale. The rejection or admission of the period of
service will not in this case affect the amount of pension which the appli-
-cant will otherwise be entitled to But it will form a precedent for future gui-
-dance.

Police Service from 1st June /57 to 31 March /83} Verified from the records of the
Office of the Commissioner of Police. The verification of the service from January
1866 has been confirmed by reference partly to the Audit Register & partly to the
Annual returns on record in this office.

Remarks by Accountant-General.

A Rejected on the Ground of this period of Service being rendered in appointment on Inferior Grade. The rejection is based upon the fact that the appointment is not included in the exception (g) under Section 141 of the Civil Pension Code.

On questioning the propriety of the admission of the Service towards pension on the Superior Scale, the Inspector General of Police has forwarded a letter from the Commissioner of Police in this dated 17 May 83 in which it is stated that before the re-organization of the present Police Constabulary of Madras Town in 1867, the members of the Old Police were Styled Peons, Conicopolleys, Talaiars, Naigues &c and performed Police Service under such designations and that they had contributed to the Police Superannuation Fund from [illegible]. With reference to this explanation it rests with Govt. to decide whether the Service in question should be admitted for pension on the Superior or Inferior Scale. ~~The rejection or admission of the period of Service will not in this case affect the amount of pension which the applicant will otherwise be entitled to. But it will form a precedent for future guidance.~~

B. Verified from the records of the office of the Commissioner of Police. The verification of the Service from January 65 has been confirmed by reference partly to the Audit Register and partly to the Annual Returns on record in this Office.

SIR,

With reference to your letter No. 2120 dated 30th April 1883, I have the honor to state that in each of the four applications for pension on behalf of the persons named in the margin, service is claimed for pension on the superior scale notwithstanding that it was rendered in such appointments as Peon and Conikopillai on pay much less than Rs. 10 a month. I have to enquire therefore whether there is any order of Government conceding the privilege in respect of officers retiring from service in the Police Department. If so, a copy of such an order should be forwarded.

I have to add that the appointments of Peon or Conikopillai on pay of

Madras.

Sir,

Referring to your endorsement of the 14th Instant No. 2396 on the letter of the Accountant General No. $\frac{A.D.K.}{8}$ dated the 9th Instant (herewith returned with its enclosures) I have the honor to state that before the reorganization of the present Police Constabulary of Madras Town in 1867 the Members of the old Police were styled Peons Conicopillays Talliars, Naigues &c. and performed Police service under such designations. Further they had contributed to the Superannuation Fund from its Commencement in December 1856. Under the above circumstances the service rendered in such appointments by the four individuals alluded to in the Accountant General's letter is applied for in the superior Scale under Section 144 of the Civil Pension Code.

I have the honor to be,
Sir,
Your most Obdt. Servant.
Commissioner of Police.

Remarks by Accountant-General.

A. Rejected on the ground of this period of Service being rendered in appointment on Inferior Grade. The rejection is based upon the fact that neither of the two appointments of Peon and Conicopillay is included in the exception (9) under Section 141 of the Civil Pension Code.

On questioning the propriety of the admission of the Service towards pension on the Superior Scale, the Inspector General of Police has forwarded a letter from the Commissioner of Police No. 164 dt. 17 May 1883, in which it is stated that before the re-organization of the present Police Constabulary of Madras Town in 1867, the members of the Old Police were Styled Peons, Conicopillays, Tallians, Naiques &c. and performed Police Service under such designation and that they had contributed to the Police Superannuation Fund from December 56. With reference to this explanation it rests with Government to decide whether the Service in question should be admitted for pension on the Superior or Inferior Scale. The rejection or admission of the period of Service will not in this case affect the amount of pension which the applicant will otherwise be entitled to. But it will form a precedent for future guidance.

Police Service from 1st Feby/53 to 31 March/83 30-2-. } Verified from the records of the Office of the Commissioner of Police. The verification of the Service from 1854 has been con-firmed by reference partly to the Audit Registers and partly to the Annual returns on record in this Office.
