THE HONORABLE THE MEMBERS
OF THE BOARD OF REVENUE,

MADRAS.

*The Humble Petition of D. MUHAMMED
ALI, late 2nd Class Magistrate and
Deputy Tahsildar, Karkal, Udipi Taluk,
South Canara.*

HUMBLY SHEWETH,

Being aggrieved by the order of the Collector compelling your Honorable Board's petitioner to retire on the ground that he is unfit for further service owing to general debility, he most respectfully begs leave to represent his circumstances, hoping that they will meet with a favorable consideration.

2. That your Honorable Board's petitioner is the only Muhammedan servant holding a somewhat prominent position in the Department. He is 56 years of age; but being naturally of a strong constitution he is mentally as well as physically fit to perform his duties.

3. That the Divisional Officer, Mr. Spencer, when called upon to report as to petitioner's fitness expressed his independent opinion to say that he is "unable to perceive any reasons why he (petitioner) should not continue to serve which did not exist previously to his (Mr. Spencer's) leaving the District 2 years ago," and this gentleman had often personally inspected his work while he was actually performing it. Your Honorable Board's petitioner fully believes that had it not been for the opinion of the Civil Surgeon, the Collector himself would have endorsed the above opinion of the Divisional Officer.

Dated 29th March 1883,
No. 187 of 1883.

4. That as to the Civil Surgeon's opinion, your Honorable Board's petitioner begs to submit that 2 or 3 days previous to his Medical Examination he was subjected to fever which continued for nearly a fortnight and that during the previous night too he had travelled not less than 30 miles from Karkal to Mangalore to appear before the Medical Officer; and thus fatigue was added to weakness. It was under such unfavorable circumstances, that the petitioner was obliged to undergo his examination and his age too contributed to mislead the Medical Officer. In the absence of these facts, it would be difficult to explain the opinion of the Medical Officer.

5. That the petitioner has since appeared before several Medical Officers whose opinion as to the state of his health goes to confirm his own conviction; but he refrains from giving out their names as they have expressed their opinion in their private capacity.

6. That in the month of January last, the petitioner was in charge of the whole of Udipi Taluq, and during the period he had to do both the Revenue and the Magistrial work of two other Officers, viz., the Tahsildar and the Sheristedar, in addition to his own work. These circumstances, and the statistical note given in the margin will satisfy the Honorable Board, not only of the competency of the petitioner, but also of the quality and quantity of the Criminal work turned out by him in addition to other miscellaneous Magisterial duties involved upon him as Deputy Tahsildar.

7. That the petitioner needs hardly remind your Honorable Board of the unnecessary loss to the Government caused by turning out a competent Officer and of the unfairness in compelling such an old standing and faithful servant to retire against his will seeing that people in full health in whom the working habit is rooted pine away when they prematurely retire and have nothing to do. That the Honorable Board's petitioner is still strong will be found to be correct, should it please the Board to see petitioner personally, who is now at Madras.

8. Petitioner belongs to an ancient and respectable Muhammedan family, but is not one of those in easy circumstances. The indulgence bestowed by the benign Government towards its Muhammedan subjects cannot be better extended to any District in this Presidency other than the South Canara District, where the Muhammedan population is very large being $\frac{1}{10}$ th of the whole of whom very few in public service and it cannot be more justly extended to any other than your Honorable Board's petitioner who has qualified himself for the post of Tahsildar by passing the requisite tests, who has vast experience and who is an Officer of proved integrity. That the only stumbling block in the petitioner's way under the foregoing circumstances would seem to be the rather hasty opinion of the Medical Officer who could discover no other disease than general debility. With due respect to the opinion of a Professional Officer, petitioner's own conviction aided by the opinion of the Professional Gentleman urges him to solicit a further examination by a Board of Medical Officers, which he humbly hopes will not be denied to him.

For which act of justice and charity, your petitioner shall, as in duty bound,
