Certified that I have carefully examined Lingam Narayanarow son of Lingam Venkata Kondalarow, 3rd Clerk of District Munciff Court, Aska.

His age is by his own statement 32 years and by appearance about 35 years.

I consider Lingam Narayanarow to be completely & permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of Permanent Deafness.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Aska District Munsiff's Court.

No. 413. 25th September 1882.

To,
The District Judge,
Ganjam,
Berhampore.

Most honored Sir,

I beg to bring to your notice the following circumstances:-

In O.S. No. 250 of 1882, 4th Defendant's vakil produced a certified copy of the deed of relinquishment produced by Plaintiff before the Tahsildar of Berhampore some time back.

This copy was produced to prove a certain issue in the case. Plaintiff admitted the relinquishment but objected that the contents were not correct. 4th Defendant's vakil thereon applied for a summons to the Collector for the production of the original. The Collector on receipt of the summons produced the original through the Tahsildar of Berhampore who sent the document in question with a covering letter to this Court.

I received the document and the letter on the evening of the 12th Instant. On the morning of the 13th, I handed over the letter and the document along with the other packets to T. V. Narasingarow, ag. 7th Clerk who used to look after Head Clerk's duties when the Head Clerk was ill and told him to take the papers to the Head Clerk and deal with them according to his directions. The 7th Clerk went accordingly to Head Clerk's house on the same morning and showed him the papers.

Among other things it appears that the Head Clerk told the 7th Clerk that he should give the document and letter to the receiving Clerk (Lingam Narayanarow, 3rd Clerk.) who should after registering the same send the papers to the Clerks concerned.

7th Clerk accordingly gave the document and letter to the 3rd Clerk for registering. Owing

to

to carelessness I think, 3rd Clerk failed to register them nor did he give the papers to 6th Clerk who ought to receive them in the usual course and include the same in the record. On 16th September when the suit was called on for hearing, the document was called for and it was reported to be missing.

3rd Clerk says that he received only the letter but not the document also from the 7th Clerk and pleaded that his failure in registering the paper was oversight.

I have directed the 2nd Clerk (Interpreter) to make a careful search of the document in question. The 2nd Clerk searched for the document for a couple of days but it was no where found.

I have taken depositions from the Clerks concerned and found from evidence that the missing of the document is attributable to the

negligent

negligent and careless conduct of the receiving Officer (3d. Clerk). He is said to frequently leave his seat during the Court hours and go out on some purpose or other. It is also found that whenever he goes out he used to keep loosely all his papers at his desk which is placed just close to a window on the side of the Verandah.

From this, I think that during his absence, the party interested or some other person interested in his cause might have bolted away with the paper.

His private character is also found to be bad. Although it is beyond my province to speak of his private conduct yet from the circumstances of the case and for the interest of the public service I thought it proper that I should not omit a word about him.

He

He has kept a whore from a long time and himself resides in a house lying in the backyard of the whore's house. Her house being very close to the Court, I am informed that he quits the Court occasionally and goes to her house even during office hours taking leave from the Head Clerk (as he says).

With regard to his capacity for public service I have once informed you that he is deaf. His deafness has of late increased to a great degree so that he cannot hear unless loudly spoken.

I have tried with him for the last three years and found him incompetent to discharge any branch of the work in the Court.

He has been guilty of many other minor faults all of which I have

have excused and it is now impossible for me to pass over his faults unnoticed any further.

Under these circumstances I have suspended him for two months subject to your sanction and request that you will be good enough to direct his transfer to some other Court on the expiry of the suspended period.

The depositions 5 in number taken from the 3rd and other Clerks have been forwarded for your perusal.

I beg to remain
