

MADRAS RECORD OFFICE.

Government of Madras.

20422

To

The Right Honorable The
Governor in Council of Madras
Presidency

The humble petition of Golety Venkanna
Late Revenue Inspector Penugonda Range,
Tanuku Taluq, Godaverry District
Most Honoured Sir.

The petitioner humbly begs
to bring to your honour's notice that the
Collector of the District, ordered him,
to retire and receive pension, on the report
of the Head Assistant Collector who stated
in his report to the Collector, that the
petitioner's age is 60 years & that he is
not able to discharge his duty any more
in the Capacity of a Revenue Inspector
The Collector's order was put to operate

Since November 1882.

The petitioner's age was, by mistake, entered in the accounts and in the Service Book, a little above the actual age; from this miscalculation, the age amounted to 60 years by the time of November last; whereas the actual age of the petitioner by that time was only 57 years. The petitioner's service is calculated to 35 years up to that time of which 25 years were spent in the capacity of Samutdar & Revenue Inspector.

As regards the bodily strength, the petitioner begs to represent that he can, even now, walk over a distance of 30 miles a day on foot; and thus discharge the duties of a

Revenue Inspector who shall always be on the move from village to village. To this effect, the petitioner produced a certificate from the District Surgeon at Rajahmundry, who certified that the petitioner's age is nearly 57 years & that he is able & fit for service for 5 years more.

The petitioner had forwarded to the Collector a petition accompanied by the said certificate, representing his claims to his getting back his appointment - instead of being allowed to take pension. The Collector corroborated with the opinion of the Head Assistant Collector. On this, the petitioner humbly brought the circumstances to the notice of the Revenue Board in the form of a petition & he received an endorsement from the Collector
