11TH AUGUST 1883, No. 722, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Commissioner of Salt Revenue, dated 14th July 1883, No. 8873.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 31st July 1883, No. A.D.J.-153.

Certified that, subject to the remarks below recorded, qualifying service in superior grades has been duly proved for twenty-two years ten months and six days, and that an invalid pension not exceeding Rs. 13-10-11 per mensem, equal to one-third average emoluments, is admissible under Sections 102 and 109 (b) of the Civil Pension Code (5th Edition).

2. It will be seen from the accompanying correspondence that the applicant was first suspended from employment on the 10th March 1873, and then dismissed from the public service on 3rd April 1873 in consequence of certain charges brought against him in connection with the dafalcation case in the Branch Treasury at Ramnad. After a further investigation into the matter, the Collector reported to the Board that the applicant was acquitted of the charge, and added that he saw no objection to his employment when opportunity offered in a capacity other than that of a Head Shroff. The recommendation was approved by the Government, and the applicant was accordingly provided with an appointment of Gumastah in the Tirumangalam Taluk with effect from 4th August 1873. The Commissioner of Salt Revenue recommends that the period of non-employment intervening between the date of suspension and the date of re-employment, viz., from 10th March to 3rd August 1873, should be regarded as suspension followed by reinstatement. Should the Government, however, be pleased to accept this recommendation, the break in question will need no condonation with reference to Section 98 of the Code; otherwise the formal condonation by Government will be necessary before granting any pension to the applicant.

3. In the first page of the application the applicant's average monthly pay is entered as Rs. 42-0-10 in lieu of Rs. 41-0-9 only. The difference is due, it is presumed, to an error in calculation.

4. From the entry recorded opposite to No. 1 on the third page of the application, the character and past conduct of the applicant do not appear to have been satisfactory; and the Commissioner in consequence proposes the grant of a pension of Rs. 10, a sum which is less than the amount admissible under ordinary circumstances by Rs. 3-10-11. It is for Government to decide whether his recommendation should be accepted, or whether any other amount with reference to Rule 1, Section 65 of the Code, may be fixed.

5. The delay in the submission of the application is explained by the Commissioner in his letter, No. 8873, dated 14th July 1883, accompanying.

11TH AUGUST 1883, No. 722, PENSION.

ORDER—dated 11th August 1883, No. 722, Pension.

Under Sections 102 and 109 (b) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Vadamalay Davaraja Iyer Ramasawmi Iyer, late Clerk, Madras Salt Depôt, Chingleput, an invalid pension of Rs. (10) ten per mensem, payable at Madura from 16th August 1882, in consideration of his qualifying superior service of twenty-two years ten months and six days.

2. The applicant, who has earned a pension of Rs. 13-10-1 in 1873, was suspected of complicity in certain treasury frauds, and was tried and acquitted. The Board of Revenue, however, agreed with Collector that he might be re-employed in some capacity other than that of Shroff, and the Government * concurred. It seems clear that this was meant as a reversal of the order of dismissal passed, and that the period of non-employment, from 10th March to 3rd August 1873, should be regarded as suspension followed by reinstatement, and that no condonation under Section 98 of the Code is necessary.

* G.O., 2nd September 1873.

3. The Salt Commissioner recommends the grant to the applicant of a pension of Rs. 10 only. His character in the Salt Department was "bad" before he joined his present division, and as Shroff his conduct was found to be such as to encourage frauds. He was further reduced in 1881 for conduct savouring of fraud. The Government have therefore resolved to accept the Salt Commissioner's recommendation.

Certified that, in respect to the remarks below recorded, qualifying service in Superior Grades has been duly proved for 22 years 10 months and 6 days; and that in General Pension not exceeding \$13.10-11 per annum equal to the average increments in actual service under Act June 102 and 109, &c of the Civil Pension Act of 1862.

Feb 5th 1846.
It will be seen from the accompanying correspondence that the application was not successful.
I am employed on the 10th March 1846 and then dismissed from the Public Service on 3rd April 1846 in consequence of certain charges brought against me in connection with the defalcation case in the March 1846
I was at Richmond after a further investigation into the matter, the Collector reported to the Board
that the said land was not the said land and that the said land was not the said land.

when opportunity offered in a capacity other than that of a Head Clerk. The recommendation was approved by the Government and the applicant was accordingly provided with an appointment of £2000 a year with £1000 a year salary with effect from 1st August 1873. The Government of Salt River recommended that the period of non employment in the service of the Government should be 10 years. The Government however has declined to accept that recommendation, the fact in question will need no condemnation with reference to the facts of the case. Although the Government has not yet decided upon the recommendation, granting any pension to the applicant. In the progress of the application the applicants average monthly pay is £2000 a month. The difference in this is in Government, to not more in calculation.

From this it may be inferred, I think, that the object of the application, the character and past conduct of the applicant do not appear to have been satisfactory, and the Commissioner in consequence prepared the Grant of a pension of \$10.00 a year which is less than the amount indicated under ordinary circumstances by \$3.10.11. It is for Government to decide whether its recommendation should be accepted or whether any other amount will be given to such a claimant. The delay in the distribution of the application is explained by the Commissioner in his letter of 1879 dated 11th July/83 accompanying it.

Extract from the letter of the Assistant
Commissioner of Salt Res, Belimpur
Division, explaining delay in the
submision of Pension application
of V. D. Ramasami Iyer.

The applicant retired from service
on the 16th August 1882; the long delay in
submitting his pension papers was owing to
many incorrect entries in his Service book, to
rectify which I had to send the book to the
Assistant Commissioner, Tinnevely Division
a reply from him came in on the 25th De-
cember last after repeated reminders; his
verification not being complete the book
had to be sent again to the Treasury Deputy
Collector, Madurai; his reply came in on
the 4th February 1883. In the verified
list of the Services of the applicant, the
Assistant Commissioner, Tinnevely Divi-
sion, having remarked that pay bills
for certain periods were not forthcoming,
I wrote to him asking to take an affida-
vit from Ramasami Iyer collecting at
the same time such collateral evidences
as could be obtained; but he replied
to

to say that the applicants whereabouts
were not known; I then addressed the
Collector of Madras to supply me with
the above information; his reply came in
on the 12th Instant; the above circumstances
will therefore clearly show that this
office is not to blame for the very late
despatch of the pension papers on behalf
of V. D. Ramaswami Iyer.

been passed. It, however, appears from
para 9 of the Board's Proceedings No 1570
of the 6th August 1873 embodied in G.O.
No 934 dated 2nd September 1873 that the
removal of Ramasawmy Iyer from his
Head Shroffship was not a final one
but one to be in force pending his re-
employment in some other capacity
when opportunities would offer. He had
accordingly been re-employed as Head
Gumastah of Tirumangalam Taluk & moreover
after his removal and I therefore think
that this break may be condoned under

as overstayed, but no leave appears to have been previously enjoyed and no entry to that effect appears in the Service Book. The Assistant Commissioner has been written to on the subject. His reply will be sent on receipt.

3. The applicant was suspended from his appointment as Head Shroff on March 10, 1873, and dismissed on April 3 following. He was afterwards re-employed on August 4, 1873 as a Gamastah on No 20 under para 9 of the Board's Proceedings No 1510 dated August 6, 1873, recorded in Government Order No 934 dated September 2, 1873. The period during which he was out of employment has been treated as suspension followed by reinstatement under clause C Section 96 of the Civil Pension Code and does not therefore constitute an interruption in the continuity of the applicant's service requiring condonation.

4. The applicant retired from the service on August 16, 1882. The long delay of 10 months in submitting this application is stated by the Assistant Commissioner to be due to several references made in respect to the verification of the applicant's service.

ORDER THEREON, 11th August 1883 No. 722

The applicant, in 1873 was suspected
of complicity in certain salt treasury
frauds & was tried & acquitted. The
Board agreed with Collector that he might
be re-employed in some capacity other
than salt. Govt. approved. It issues clear
order 24th Sep 1873 that this was meant
as a reversal of the order of dismissal & it
passed that the period of non employment
from 10th March to 31st Aug 1873 should be
regarded as suspension followed by
reinstatement & that no condonation under
Sec. 98 of the Code is necessary.

UNDER Sections 102 and 109 of
the Civil Pension Code (5th Edition), the
Right Honorable the Governor in Council is
pleased to grant to V. Ramasami Iyer
late Clerk Madras Salt Depot an invalid pension
of Rupees ()

payable at Madras from 10th
August 1882

The Salt Commission recommended
the grant to the applicant of a pension of Rs. 10/- only. His character in the
salt depot was "bad" before he joined his
present division & as shown his conduct was
found to be such as to bring into disrepute the
service of the Government. In consideration of his qualifying
service of twenty two years, ten
months and six days.

It is observed that the applicant's
average salary during the last 5 years
of his service was Rs 41-0-9 and
as entered in his Service Register
it is presumed that he was employed in the
salt depot from 1873 to 1878.

To the Accountant-General, with Register.

The Accountant-General, Madras, dated 11th Aug 1883

is due to an error in calculating
the average emoluments in the
Salt Commissioners office.--
