GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From Colonel B. H. W. MAGRATH, Commissary-General, to the Secretary to Government Military Department (through the Controller of Military Accounts), dated Madras, 20th June 1883, No. 1855.

I have the honor to submit an application for invalid pension under Section 102 of the Civil Pension Code for Head Purveyor V. Ruthna Mudaliar attached to the Station Hospital at Bellary.

2. In accordance with instructions, the Executive Commissariat Officer, Bellary, brought this man before a Medical Committee, whose Proceedings I enclose. The Committee pronounce him to be in good health and fit for further service.

3. I do not presume to question the correctness of this opinion as far as the man's physical strength is concerned, but I have no hesitation in stating from personal observation that the man mentally is worn out and incapable of performing his duties in a satisfactory manner; and as this unfitness is in no way attributable to misconduct on his part, but is the result of natural causes, I would most respectfully urge that a pension of one-third of his salary be granted to him in accordance with the spirit of the footnote to Section 51, Chapter IX Civil Pension Code.

4. Lieutenant-Colonel Wright, the officer under whom he has last served, and who has had an opportunity of becoming thoroughly acquainted with Ruthna Mudaliar, entirely coincides in the opinion that I have expressed as to the man's mental unfitness for any further duty in the department.

5. The man went with the expedition to Abyssinia and has also served in Burma, and his case therefore seems deserving of favorable consideration.

6. The service book of the applicant, together with Memorandum, No. 1021, dated 15th May 1883, from the Examiner of Commissariat Accounts, verifying the Purveyor's service, are forwarded for information.

ENCLOSURE.

Proceedings of a Board of Medical Officers assembled at Bellary, on the 7th June 1883, by order of the Officer Commanding Ceded Districts for the purpose of reporting on the state of health of Purveyor V. Ruthna Mudaliar attached to the Station Hospital, Bellary.

Certificate and report from Lieutenant-Colonel C. CARTER, Officiating Controller of Military Accounts, to the Acting Under Secretary to Government, Pension Department, dated 30th July 1883, No. B.

Certified that, subject to the remarks recorded below, qualifying service in superior grades has been duly proved for seventeen years five months and twenty days. As he has been certified by a Medical Committee to be in good health and fit for further service, he is not entitled to any pension under Regulation; but the Commissary-General states that he is unfit from mental incapacity, and recommends him for a pension of Rs. 10 per mensem under foot-note to Section 51 of the Civil Pension Code:—

Deduct the period of two breaks from 1st November 1862 to 15th February 1870, and from 1st April to 21st November 1882 ..	7	11	6

ORDER—dated 15th August 1883, No. 730, Pension.

The applicant, a Head Purveyor, who has served seventeen years odd, was sent before a Committee, which certified he was in good health and fit for further service. The Commissary-General nevertheless avers that he is worn out and incapable of performing his duties in a satisfactory manner, and forwards an application for an invalid pension, and suggests that the case may be treated under the note to Section 51, Civil Pension Code.

2. The Government observe that the applicant is eligible for no class of retiring allowance, and that the Commissary-General must either provide him with suitable employment or remove him for inefficiency. There is no middle course. The note to Section 51 refers to cases of an exceptional nature, and there is absolutely nothing in the present case to justify a reference to the Secretary of State.
