15TH AUGUST 1883, No. 731, PENSION.

GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—the following papers :—

From the Commissioner of Salt Revenue, dated 20th July 1883, No. 9212.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 4th August 1883, No. A.D.J.-162.

Certified that qualifying service in superior grades has been duly proved for eighteen years eight months and fifteen days, and that an invalid pension not exceeding Rs. 41-10-8 per mensem, equal to one-third average emoluments, is admissible under Sections 102 and 109 (b) of the Civil Pension Code (5th Edition). The calculations have been duly verified. It is observed from the remark opposite to No. 1 in the third page of the application that the character and past conduct of the applicant have been recorded as "somewhat indifferent." It rests, therefore, with Government to make such reduction in the amount of pension that may be sanctioned to him as it may deem proper with reference to Rule 1, Section 65 of the Code.

2. The delay in the submission of this application is explained by the Commissioner of Salt Revenue in his letter to this office, No. 9212, dated 20th July 1883.

ORDER—dated 15th August 1883, No. 731, Pension.

Under Sections 102 and 109 (b) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Sangolam Nallathambi Rajanayagam Pillai, late First-grade Sub-Inspector of Thambikkanallavankottai Factory, an invalid pension of Rs. (41-10-8), forty-one, Annas ten, and Pies eight per mensem, payable at Tinnevely from 14th May 1883, in consideration of his qualifying superior service of eighteen years eight months and fifteen days.

Certified that I have carefully examined Rajanaigam Pillai son of Kallathumbaya Pillai in the Salt Revenue Tanjore District. His age is by his own statement 45 years, and by appearance 50 years. I consider Rajanaigam Pillai to be completely and permanently incapacitated for further service of any kind in consequence of General Debility. His incapacity does not appear to me to have been caused by irregular or intemperate habits but from the constant exposure to the sun and heavy duties required of him in his department in which he has had 24 years service. He complains of Palpitation, pain in head, and disordered bowels, loses his head occasionally and other symptoms of General debility.
