Read Returns to warrants for

for execution Nos 39 and 40, of 1879.

Read Commissioner's report
in the matter of the said execution.

Aminas Messrs Sreedharaswami
and D. S. Sanyal were entrusted
with these warrants. They allow that
the fields which they went to measure
and deliver to Plaintiff were, if a
whole, at least partly under water
under preparation for cultivation.
The first says he was engaged in
measuring the land for 18 days, and the
second for 10 days. It is clear
that these aminas in consideration
of some illegal remuneration had
undertaken to do a business which
was impossible for them to complete
to the annoyance of the Endowment
Department. Their duty was to represent
to the court the state of the fields

Sir I have had the honor to receive
your letter of 20 July 1883 No. 522, forwarding
a communication from the
Accountant General in respect to the
Amin Sany Doss's Application for
gratuity.

The Accountant General calls for
information on the points Nos. 1, 8, 9
15 and 35, and in returning his com-
munication I beg to state as follows.

No. 1. The information required is
now supplied in the Amin's Application.

No. 8. The full information connected
with the Amin's suspension is also
submitted with his application. The
last pay certificate is also enclosed.

No. 9. This Amin and the record keeper
retired the same day. Their retirements
were the subject of the correspondence
with

with the District Court, and I deemed it
preferable so to continue the correspondence
and submit both applications together.

No. 15. A revised affidavit is submitted
and I trust it will be found in form.

No. 35. The Pay abstracts of the Ballah
Department which were kept in the
record room, seem to have been destroyed
by the late Recordkeeper as he considered
they came within the scope of his orders
in respect to the destruction of records.

I beg to enclose his affidavit on
the subject.

The absence of the Amin from
this town has delayed the transmission
of this reply.
