Polapragada Subbarayudu Garu who
is now a Revenue Inspector in this

whether he was at any time during
those years out of office for some days
on account of dismissal or suspension
I do not know if he took leave in the

this because I was not then a Gumasta

I know for certain that Pola-

Inspector of the Amalapur Range, who
has now applied for pension, was the
Revenue Inspector of the Polavaram
Range in this Taluk in August 1866.
He was neither suspended nor dis-

appointed a Gumasta in this Taluk
in 1862 - I therefore do not know

I have not as yet completed the age of 60 years. I am still able to discharge the duties of (my) office - I have got a large family ^{I have to support the family} wholly on my pay. I have sons. But as they have not passed any Examinations, I pray that I may be permitted to continue in office as long as I can discharge its duties. If my case should be decided otherwise and I be directed to apply for pension I pray that my son may be favoured with some appointment. In case I should be asked to retire on pension I request that the amount of my pension may be paid from the Amalapur Treasury. I was the Samutdar of the
Ryali Samut, Ryali Taluk from the 22nd

charged the duties of that office. Pole-

Even before I was appointed to this
Samut. The said Subbarayudu Garu
continued to be the Samutdar of the
Machavaram Samut till 1862 when
the arrangement (Amalgamation of

Samut also was attached to the Ryali

that he worked in the Machavaram
Samut. I know that Polepragada

Order issued by Mr. Johnson, Sub-Collector
Godavari District to Roulu Mangiah
Tahsildar of the Amalapur Taluk dated
the 4th July 1881 No 354.

I have perused your remarks
made on the Amalapur Range
Revenue Inspector's diary for the month
of May.

In your remarks you make
the following complaints against him.

1 That the Revenue Inspector
submitted the diary to the Taluk
Office after delaying it for 24 days after
the Expiry of the month.

2 That the said Inspector
remained at his head quarters
Amalapur for 12 days and that
from the work turned out he had
no necessity to stay there so many
days.

3 That he did not Enquire
into the business of demand, Collection
and balance of even a single village.

By Collector

4 That he did not send in account relative to the inspection of second crop and that, therefore, the work turned out during the month of May, was very unsatisfactory.

Moreover, he had 22 papers on hand at the beginning of the month; he received 7 papers and disposed of 2 during the month. He, therefore, had 27 papers remaining with him.

Some of these papers appertain to the months of August, September & October 1880. The Columns 3 to 7 and 9 to 10 of the diary were not filled in. This is not the first time the said Polapragada Subbarayudu has found fault with. Several irregularities have been found (in his work). This is not his first fault. My opinion is that he is unfit for further service, but he always brings a certificate from the Doctor that he is fit to serve. The said Subbarayudu has been reduced

Extract from the Zamabundi order No 32 dated the 14th May 1875 issued by Mr. Foster to the Tahsildar of Annapuram 4th sheet containing the settlement of Ajinapuram village and the decision (of the collector) about the degradation of Polapragada Subbarayudu, Revenue Inspector of the Polavarur Range.

1 Ajinapuram

It was a point for decision whether field No 122 of this village was irrigated intentionally or was watered with the water springing therefrom.

The Ryot pleaded that he had not irrigated the land. Polapragada Subbarayudu, the Revenue Inspector, said that he had entered it as irrigated, because some ryots had told him that they had seen it irrigated. When the ryots were said to have reported to him, he examined them and they stated that they did not report, as aforesaid and that the lands

By Collector

was not intentionally irrigated. When he was asked to give his own opinion, he could not give a decisive answer (at first) but in the end said that it might have been irrigated intentionally. From this Enquiry it appears that the said Revenue Inspector Subbarayudu is not one that can discharge the duties of his office well. He appears to be one that cannot form an opinion of his own, but comes to some conclusion on the statement of others. It is, therefore, decided that he should be reduced from the Revenue Inspector's post of Rs 25 to that of Rs 20. As recommended by you Laji Lakshminarayanaappa has been appointed Revenue Inspector on Rs 25 and Subbarayudu on Rs 20. The pay abstract shall

accordingly be prepared for them from 24th April 1875.

Order issued by Mr. Frazer, Collector of the Godavari District to Ajjarapu Ramanna, Tahsildar of the Amalapur Taluk dated the 6th Feb 1868 No 48.

With reference to an order issued under date the 24th July, 1867 No 330, calling upon you, among other things, to attach such of the service Inams as were vacant either by death, desertion or non-looking of the village servants of the villages in your Taluk and to submit an account showing the particulars of such Inams within 15 days, you addressed letters to the Revenue Inspectors. It was brought to my notice during the Zamabundi that the Revenue Inspectors of the Polavaram Range, in giving effect to the letter attached some service Inams in Thanelanka and certain other villages in his jurisdiction as vacant Inams (on the plea) that some of the Shroffs only examined the coin but did not keep Chittahs,

Use Collector

while some others did not do their duty from ill-health, and that, although, some watchers were working during the turns fixed for them, the others also (those whose turn was not at that time) did not work at the same time.

It is not the business of a Shroff to keep a Chittah. Some keep a Chittah and the others do not, at their option; It cannot be considered that a Servant has vacated his office, because he happened to be sick for some days. Moreover he attached the lands of the Rarnam of Romana-palli on the plea that the Gumeshta who was working on behalf of the Rarnam, was absent for some days, although the Rarnam was present at the village.

This being an improper act, the Revenue Inspector was

directed to give reasons for his proceeding, upon which he submitted that he had done so, because the villagers had reported to him that the afore-said persons had not been working.

The villagers as well as the ryots represented that the said servants were doing their duty. If at any time the villagers reported to him that they (servants) did not work, he should have ascertained the state of things by Enquiry. But he never did so. From this it can be deemed that the lands of the village servants have been attached to the mere trouble of such servants as have been doing their duty and who never vacated their offices. He assumed, on some trivial ground, a false authority contrary to the spirit of the order, and

Collector

Caused commotion among and suffering
to these innocent people. It also
appears that he has been guilty of
neglect in the collection of revenue
and other affairs which he ought to
have done in accordance with your
letters issued in reference to my
orders to you. The Laid Polapragada
Gubbarayudu is, therefore, suspended
from his office for 6 months from the
6th Instant and Goteti Virraju
is appointed to that office to act
for him. You shall therefore have
the work done by this man during the
period and see that the pay abstract
is accordingly prepared.

- You did not at all
see whether the Revenue Inspector
acted according to the instructions
given by you in reference to my order
about the Service (Inam) lands

✓
you are therefore much to blame.
A separate order will be issued
in this connection.
