MADRAS RECORD OFFICE.

Government of Madras.

Pension DEPARTMENT.

G.O. No.	76	~~Press~~ Mis.
Dated	31-1-1883.	

Not to be folded or roughly handled

Most Respected Sir.

L. Nagojee Now the humble petitioner who forwarded a humble petition to your honor in Council: Fort St. George on the 9th day of January 1883, most humbly begs to forward another most humble petition to your honor in Council, with reference to your honor's Endorsement No 31, dated 16th January 1883 with an utmost satisfaction of what he represents to your honor in the following paragraph, and further the humble helpless petitioner begs to wait for your honor's precious judgement on a subject which seems to be a paradox.

Your humble petitioner does not see clearly any reason whatever, why he should get the gratuity of his four months pay only as mentioned in the Pension Law, when he had served the Government for such a long period of time (which is below)

2

as would entitle him for half pension ²⁵ ~~3-8~~

Your humble petitioner begs to show the amount of period he had served in the Government, below, according to his poor calculation, excluding his service of five years in the Layer Department and nineteen years, four months and eighteen days in the Stamping Department, as these Departments are told to be excluded from the Government.

In the capacity of a peon your humble petitioner had served in all of the following Departments for a period of thirty four years.

No.	Name of Dept.	Years From to	Name of the then Collector	In the capacity of	Amount of Years
1	Ab-Kary	1830 to 1832	Mr. Huddleston	Peon	3
2	Salt	1833 to 1843	Mr. Campbell	Peon	11
3	Registration	1844 to 1863	Messrs. Stokes and Gaultiffe	Peon	20
Total is 34 years					

With your humble petitioner's former calculation he begs to show the amount of period he had served in the Govt according to the calculation of the Deputy Collector's Office Maoras.

No	Name of Dept	Years		In the capacity of	Amount of years
		From	To		Yrs - Mths - Days
1	At Harry	6 th January 1852	to 31 st May 1853.	Peon	1 - 4 - 26
2	Salt	1 st June 1853	to 30 th September 1855.	Peon	2 - 4 - -
3	Registration	1 st October 1855	to 30 th April 1863.	Peon	7 - 7 - -

Total is: 11 - 3 - 26

Your humble petitioner regrets to show such a great difference as years 22 - 8 Mths - 4 day) to your Honor in comparing the two calculations.

When your humble petitioner asked the Dy Collector's Office how to account for such a great difference as previously shown, they said that certain Records were lost, and thus it is impossible

4 7
for them to seek after those Records.

If your honor be suspicious of your humble petitioner's services in the Government, for the period of thirty four years, your honor may refer the Pay Abstract of those past years in the Accountants General's Office Madras, and thus give your poor humble petitioner nourishment in his present old age.

Your humble petitioner further begs to say that he had lost all his strength in serving the Government, and for the present age he possesses nothing whatever, but waits for your honor's most precious judgement, which would enable your humble petitioner to live in his poor and humble state, praying God for your honor's long life and prosperity.

Your most Obedt &
humble petitioner

Madras

23rd January
1883

(Signed) L. Nagojee Rao
