GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Inspector-General of Jails, dated 19th July 1883, No. 3320.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 15th August 1883, No. A.D.J.-175.

Certified that qualifying service in superior grades has been duly proved for sixteen years two months and twenty-seven days, and that a superannuation pension not exceeding Rs. 18-10-8 per mensem, equal to one-third average emoluments, is admissible under Sections 106, 109 (b), and 111 of the Civil Pension Code (5th Edition). The calculations have been duly verified.

2. In accordance with Rule 4 under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

3. The application is supported by a medical certificate of incapacity, which is dated one month before the applicant ceased to do duty; but from the entries recorded opposite to Nos. 9 and 5 in the first and third pages of the application, it would appear that the application was intended for a superannuation pension instead of an invalid pension, and this supposition is further confirmed by the fact that the applicant is much above the age of fifty-five years. Under these circumstances this office has considered it proper to recommend the grant to the applicant of a superannuation pension.

ORDER—dated 5th September 1883, No. 787, Pension.

Under Sections 106, 109 (b), and 111 of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Mr. Thomas Daman, late Warder, European Prison, Ootacamund, a superannuation pension of Rs. (18-10-8) eighteen Annas ten, and Pies eight per mensem, payable at Ootacamund, from 18th July 1883, in consideration of his qualifying superior service of sixteen years two months and twenty-seven days.

calculations have been duly verified

In accordance with Rule 4, under Section 130, the attention of Government correspondents is directed to Section 65 of this Code.

The application is supported by a medical certificate of incapacity which is dated and sworn to before the applicant ceased to do duty. But from the nature of the applicant's illness, it is probable that the applicant is now, and in the past and future of the application it would appear that the application was intended for a suspension or a variation from service instead of an honorable pension, and this supposition is further confirmed by the fact that the applicant is now, at the age of 55 years, under those circumstances the Office has considered it proper to recommend the grant to the applicant of a suspension from service.

Attest and certify June 1883.

Notified that I have carefully examined
Thomas Darnall a warder in the Astor House of
European Prison.

His age is by his own statement 60½ years
and by appearance about 60 years. I consider
Thomas Darnall to be completely & permanently
incapacitated for further service as a warder
in the Astor House of European Prison in the
Jail Department to which he belongs in con-
sequence of being subject to Epilepsia & General
Debility.

His incapacity does not appear to me to
have been caused by irregular or intemperate
habits.
