I have the honour to forward an original letter received from Mr. Doderet, Mathematical Instrument Maker, on which he solicits the orders of Government.

From the Mathematical Instrument Maker, to the General Superintendent of Public Works Stores and Workshops, dated Chopauk, 9th May 1867.

As the last Order of the Government of India, dated Fort William, 13th February 1867, No. 177A, paragraph 37, directs that the Workshop shall be self-supporting, and as consequently the Workshop Establishment is temporary, I have the honour to request that you will be good enough to obtain for me an authoritative decision on the point as to Rules which will regulate the grant to me of leave and pension.

Sir,
In forwarding herewith the application from
Gentility on behalf of M. Tiruvengadam Pillay, received
from the Examiner of Public Works Accounts with his
endorsement of 1st July 1883, I have
the honor to forward herewith copy of this Office letter
to the Examiner and his reply in original, for which
Government will charge that that Officer agrees
with me in thinking that Tiruvengadam Pillay can
count the period of service rendered as service on the
Establishment of the Public Works Workshops as pensionable
without payment of any contribution to Government
in account of pension and leave allowances. But as
it appears from the remarks recorded in the 2nd page
of the application, that the usual contribution has
already been recovered from the applicant, it rests with
Government to determine whether the amount irregularly
recovered should be refunded to him or not.

The Examiner of Public Works Accounts.

Sir,
I have the honor to state that in the concluding
para of your reference No. 78 & dated 27th April last,
to the General Superintendent Public Works Workshop,
Madras, relative to the application for Gratuity on behalf
of M. Tiruvengadam Pillay, you seem to think
that the applicant would be barred from counting for
pension, the period spent in the Public Works Work-
shop Madras, unless he had paid the contribution on
account of pension and leave allowances. G.O. No. 18694
dated 27th April 1878, quoted in support of the above
opinion does not seem to authorize the levy of contribution
on account of pension or leave allowances from a Govern-
ment servant transferred for employment in the Public
Works Workshop, either at his own request, or by a higher
authority, the workshop being an Establishment under
Government. Even supposing that the service in the
Workshop is now pensionable, there is no rule in the
Civil Pension Code under which the contribution may
be demanded in view to converting that into pension-
able service. Exceptions (c) under Section 96 of the Code
prescribes that in cases of the kind detailed above,
the service should be rejected, but that the rejection
might not be viewed as an interruption, vitiating
past services.

2. Please state what amount of contribution was
realized from the applicant, to what Department and what
head of account such contribution credited.
