The Superintending Engineer.

4th Circle, Coimbatore.

Sir,

Referring to letter N^o 407 of 21st Dec^r 1882, Communicated to me with your Indorsement N^o ^{NA} 654 of 26th Idem, I have the honor to inform you that when the Medical Certificate declaring physical unfitness of Lascar Mottoy, for duty, was finally received in this Office, there were 3 applications for Gratuity due from this Office; the preparation of these were undertaken one after the other, and last of these, the Application on behalf of Lascar Mottoy was set on foot. In preparing this application, there was a little difficulty to procure the Contemporary Statements, which were finally submitted to this Office at the end of November 1882.

J

2. I may add that, it is not possible to expect submission of applications on behalf of menial servants as soon after as the Applicants concerned are retired from service. In nine out of ten cases, it takes a considerable time to procure Collateral Evidence and Statements of Contemporary Servants; and especially when the Contemporaries of the retired men are out of employ, the delay is still greater.

3. I request that these inconveniences may be seriously considered.

I have &c
